Wells Tannery.
Memorial services were conducted by our Grand Army men as in past years. Their number is gradually decreasing, and we could not help but notice that time has changed their quick step with the drum. They were fortunate in securing as orators, Rev. Ash and Hon. S. W. Kirk, who did justice to the occasion.
W. L. Woodcock, Esq., of Altoona, who happened to be in the Valley on business, was asked to say a word to his old comrades and acquaintances. He cheerfully responded, and we were all delighted to again hear one of our boys.

S. P. Wishart attended the commencement of the Everett High School.

Mr. Everett Swigert, of Huntingdon, visited Dorsey and Will Barnet from Saturday until Monday.

Mr. and Mrs. Edward Bobb and their sons Ralph and Chester—of Roaring Springs—visited in our town Saturday night enroute from Mercersburg, where the eldest son graduated during the past week.

W. A. Johnston, of Streator, Ill., is visiting his sister Mrs. W. H. Baumgardner. Mrs. Johnston is in Philadelphia visiting her brother Charles Grissinger, one of the graduating class in dentistry. She will come from there to Wells Valley.

Mac Stunkard returned home Saturday from The Bliss Electric School, of Washington, D. C., with a diploma that no boy can secure without much mental labor. His many friends congratulate him on his success. He has secured a position in Altoona, and will make use of his profession at once.

Miss Margaret Gaster, of Altoona, is visiting her sister Mrs. Mary Harmon.

Children's Day will be observed by our different Sunday Schools. The services in the Presbyterian church will be Sunday evening, 11th; Pine Grove, Sunday evening, 18th.

Furious Fighting.

"For seven years," writes Geo. W. Hoffman, of Harper, Wash., "I had a bitter battle, with chronic stomach and liver trouble, but at last I won, and cured my diseases, by the use of Electric Bitters. I unhesitatingly recommend them to all, and do not intend in the future to do without them in the house. They are certainly a wonderful medicine, to have cured such a bad case as mine." Sold under guarantee to do the same for you, by Trout's the druggist, at 50c a bottle. Try them to-day.

CTO.

A very nice birthday party was held at the home of Mr. and Mrs. Geo. Unger last Friday in honor of their son Edward, who was ten years old; and, also, the birthday of Mrs. Mock, who was present. There were eighteen people present. After spending the afternoon very pleasantly until five o'clock, the bell rang for supper. The table was placed under a large tree in the yard. There was cake, ice cream and every thing that was good on the table, and it was a day that will not be forgotten soon.

The following letter from Robert R. Watts, of Salem, Mo., is instructive. "I have been troubled with kidney disease for the last five years. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am now sound and well." Sold by all dealers.

Quality vs. Quantity.

Hard muscles and strong body do not depend on the quantity of food you eat, but on its perfect digestion and proper assimilation. When you take Kodol Dyspepsia Cure your system gets all the nourishment out of all the food you eat. It digests what you eat regardless of the condition of the stomach and conveys the nutrient properties to the blood and tissues. This builds up and strengthens the entire system. Kodol cures indigestion, belching, dyspepsia, sour stomach, weak heart etc. Kodol Dyspepsia Cure for what is sometimes called America's national disease—dyspepsia—is destined to eventually work a wonderful and lasting benefit to sufferers from this distressing and mind harassing condition.—Sold at Trout's drug store.
