clients a very bad twenty-four rubber patents, and the head of the firm met him at the station. When they had entered the carhe at once turned to Mr. Webster and referred to one feature of evidence to be presented in the

'I speak of it, Mr. Webster,' he said, "as it has a peculiarly important bearing on the case, and I thought you might not have understood its significance." Mr. Webster, who was looking dreamily out of the carriage window, was recalled to a consciousness of his client's presence. He yawned and, settling back against the cushions, remarked : "I have always hoped I might

some day come to Philadelphia. because I've been told that there is no place in the United States where they serve finer brandy. When I came away from Boston I said to some of my friends, 'Boys, I'm going to find out about

that Philadelphia brandy, and if 1 find that it really is the best I shall have made a useful trip.' ' Several times Mr Goodyear tried to draw his distinguished attorney's attention to the particular point at issue, but he never seemed to take the slightest interest in u. The brandy of Philadelphia was apparently the only

topic which interested him, and he always recurred to it. Mr. Goodyear left him somewhat brusquely at his hotel .-- | When he returned to his office
