: : : Neckwear

Our Neckwear supremacy is very pronounced. No matter how it is done, the fact remains that no sooner do any particular shapes or styles become popular than they are shown here, and the best part of it all is that they are always shown at lower prices than you'll find elsewhere.

All the pretty and desirable concepts in Men's and Women's Neckwear are shown here in lavish abundance.

COLLARS AND CUFFS

Our Collars and Cuffs stand very high in the estimation of those who are acquainted with this department.

If you've ever bought this line here, we won't have to say anything to keep your trade—the goods and prices will do that for us.

But we are aiming at the fellow who has been buying branded Collars and Cuffs and paying about 20 per cent. more than he would have to pay US for goods of exactly the same material, exactly the same shapes, exactly the same in every way except the price.

There's an extra profit that is yours as soon as you commence to buy here. Our line of waterproof and linen collars and cuffs is larger than ever before—our prices far lower than others, ask for the same goods.
