and Dr. George Brewer, who have charge of the case. Mr. Sato, spokesman for the Japan-

consultation with Dr. W. B. Pritchard

Many messages of inquiry as to Ba-ron Komura's conditions, including one from President Roosevelt, reached the hotel. Flowers and cards have been left by many friends. Mr. Sato, spokes-

man for the Japanese party, issued the following statement.
"Drs. Delafield, Brewer and Pritchard saw Baron Komura in consultation again at 6 P. M. They announce the Baron's condition to be favorable, no new symptoms having developed and the patient having passed a very comfortable day. They are unanimous in the opinion that the Baron's condition indicates nothing alarming or serious at

present. Saved From Lynchers By Sheriff.

Winchester, Ky. (Special). - Prompt action by Sheriff Woodson McCord probably saved Samuel Hisle from lynching here. Hisle, who had been held at right ear. A diamond pin worth \$1100 was missing, as well as a wallet, usually well filled. The man's face was not discolored, as would have been the case in death by gas. There was so little smell of gas that a theory is offered that some murderer for robbery turned on the gas that his men were armed and would the his ferring. shoot to kill.

Ministers at Theatre.

Chicago (Special) .- A clergymen's in Dobbs Ferry last week. In the caning room he left the following note:

Dear Sir—Why the dickens don't you hire a man to look after your things while you are away? I read in the papers the other day that the police blame the public for all the burgisries, and it is the public for all the burgisries, and it is right. It is your own carelessness; you at the matinee, which was given exclusion only blame yourself for it. It is no sively for them, the theatre being closed use to tell the police. Don't bother them; they have enough to do already.
