**An Open Letter.**

Already the leaves are falling which marks the close of summer and the approach of winter.

As early as March I commenced to prepare for it having at that time bought my rubber goods.

In May when you were trying to keep cool I was buying winter underwear and overcoats and winter suits. I didn't buy any too soon for heavy advances have been made on all such goods since that time.

Two weeks ago I visited Philadelphia Markets and since my return I have been kept busy placing on my shelves one of the best and most complete lines of dependable merchandise that it has been my lot to show. The continued increase in our sales from month to month encouraged buying an immense stock and I am now ready to supply my trade with the best to be had at prices which means saving to you.

I can, must and do sell cheaper than the man who sells on credit. When I sell you a suit, a dress, a pair of shoes I do not have to make an allowance for bad debts but can sell you at a saving bank of 10 to 20 per cent.

Call and price my goods and don't buy a thing if you think my prices aren't rock bottom.

**HARRY E. HUSTON,**  
SALTILLO, PA.

**OPEN LETTER**

FROM

As **EARLY AS MAY**, we bought our Cotton Blankets, Outings, Flannelettes, &c., and can say to you that we can sell you these goods **AT LEAST 2 CENTS A YARD CHEAPER THAN LAST YEAR**, and in some of them more.

For early fall serving, we have the goods.

Very respectfully,
