Editor News.—Permit me to make a little further explanation in your paper relative to Wm. Keefer's letter of September 6th. First, I wish to say that the statement made in the previous issue of the News by a policy holder in the Fulton County Mutual Fire Insurance Company, in explanation of Wm. Keefer's loss, is absolutely correct, excepting that we have not yet passed the "three hundred thousand-dollar mark, but we are getting there, nevertheless. (I did not write that article, therefore I am not accountable for the mistake.)

Now, as to Mr. Keefer's letter, he seems hurt over his loss, which is natural, and we deeply sympathize with him, and especially myself, who solicited his name on our subscription to raise the amount required by law to secure a charter and to do insurance business. Mr. Keefer said in his letter, "I was persuaded to leave the Friends Cove Company, and to go into the Fulton County Mutual Insurance Company." Mr. Keefer called me by phone to his home, Feb. 21, 1905, to see his family who were sick. I arrived about midnight, and remained until the morning of the 22nd, when I asked him to help us raise the amount necessary to secure the charter. He said he would, as his policy had expired in the Friends Cove, and he would not renew again, and he signed for \$1000. To confirm this statement, and that I did not persuade him to leave any company, I will quote you verbatim, a card from James L. Lake, agent for the Friends Cove Company in this county, viz:

Sept. 18, 1905. Dear Sir: Mr. Keefer's insurance run out Sept. 21, 1905. I was there before it was out and have been there since. Yours, JAMES L. LAKE. According to this, his policy had expired one and one-half years before I was there. He further said that I told him "his protection would begin as soon as the charter was granted." If Mr. Keefer understood me thus, I am sorry, for I made no one such a promise. All charter members were to have, and have had, free policies when they filled or caused to be filled an application for their policy, and all policies issued prior to June 1st, took effect on that date. Mr. Keefer did not, nor has not made any application for his policy. We are like Mr. Keefer, "We believe in insurance" but we don't believe in letting our insurance expire one and one-half years before renewing. This should be a warning to everyone to look after his insurance and see that his property is protected.

The Fulton County Mutual Fire Insurance Company opened its doors June 1st, and has well up into three hundred thousand dollars of insurance in force—which means a large number of policy holders—and have not had one cent of loss, which should bring praise from every policy holder, as this has been a dangerous season for fires.

It is the desire of this company to do an honest and legitimate business, and all we desire is for the public to give us a trial.

Yours truly, J. S. SWARTZWELDER, M. D. Secretary, F. C. M. F. I. Co.

A Dozen Times a Night.

Mr. Owen Dunn, of Beaton Ferry, W. Va., writes: "I have had kidney and bladder trouble for years, and it became so bad that I was obliged to get up at least a dozen times a night. I never received any permanent benefit from any medicine until I tried Foley's Kidney Cure. After using two bottles, I am cured." Sold by all dealers.

The County Commissioners, of Washington county, Md., have awarded to Samuel P. Angle the contract to construct the model road from Hancock north to the Pennsylvania line. The piece of road will be about two miles in length. The estimated cost of construction is about \$5,000, one-half of the cost of which will be borne by the county and the other half by the State. It will be over what is known as the Warfordsburg road. The date by which the road must be finished will be set by the State Department.

Fall and Winter Suits.

The gathered crops and the cool frosty nights remind us that winter will soon be here, and that our light summer clothing must be put aside. We must have a new suit for dress, and take our last winter's "good suit" for every day. Where shall that new suit be ordered? At

A. U. Nace & Son's

McConnellsburg, because theirs is the oldest and largest merchant tailoring establishment in the county; because they have the largest and best stock of goods to select from, and because of the certainty of getting a suit that will fit and not only be worth every dollar it costs, but look genteel and dressy as long as it lasts.

Then in addition to their making-to-order department, A. U. NACE & SON carries a large stock of Ready-made Men's and Boys' Clothing—the best that the city markets afford and at prices as low as good goods can be sold. In fact, anything in gents' furnishings from an Overcoat to the latest fad in Necktie wear—Hats—everything—the latest and best.

Get your order in, in time, and avoid the rush.
