**McConnellsburg's Ladies' Coats**  
Our ladies' and children's coats should have been ready for you before this week, but we were obliged to wait on the manufacturer to make them. Now, since they are here, you can depend on their being the JUST RIGHT KIND—the STYLE the VERY LATEST.  
The three-quarter length is very popular, and we have them made of pleasing materials, well tailored, and at prices to suit all kinds of pocket books.  
The short coats are meeting the popular demand, and are finding new owners among the small dressers.  
It is impossible for us to describe the many Ladies', Misses', and Children's Coats we have. The assortment is large, and the prices—like my other prices—are as reasonable as quality will admit.

**Suits and Overcoats.**  
In the face of advanced prices in cotton and woolen goods, we are in a position to show you a larger line of Men's and Boys' suits at much lower prices than last spring.  
You will make no mistake in taking a look at our suits and overcoats before buying your winter outfit.  
We have been told that there was never such a large stock in this store before. This means a wide range of bargains to select from.
