H. W. Dubbs and Ira Locke, the former of whom is in the employ of the P. R. R. at Pittsburg, and the latter with the Westinghouse people in the same city, are spending a few days at their old home at Fort Littleton. They were in McConnellsburg a few hours last Saturday.

After having spent five weeks delightfully among their oldtime friends and relatives in McConnellsburg and the Cove, John Lathero and wife left on Monday to return to their home in Chicago. They left this place for Chicago about fourteen years ago, and have been prosperous in the Windy City, and are in a position to enjoy life during their latter days.

No pill is as pleasant and positive as DeWitt's Little Early Risers. These famous little pills are so mild and effective that children, delicate ladies and weak people enjoy their cleansing effect, while strong people say they are the best liver pill sold. Sold by Stoutegale and Bro.

An unusually large production of cider and apple butter is a logical consequent of the abundant crop of apples of the past season. N. H. Alloway at his mill at Waterfall, has made over thirty thousand gallons of "apple juice" this fall, and is not done yet. 3800 gallons were made in one week.

It is impossible to have a clear head, an active brain, a vigorous constitution or a strong body when the digestion is weak or when the stomach is out of order. Kodol Dyspepsia Cure will put the stomach and digestive organs in good condition and improve the general condition. Sold by Stoutegale & Bro.

Mr. Courtland Van Deusen, the Princeton college student, who was detailed to this county for two months during the summer as a special Field Worker of the Pennsylvania State Sabbath School Association, and who did splendid work here, writes that he has been lying in the college infirmary since the first of October with typhoid fever. Mr. Van Deusen says that he has been fed so much milk since he has been sick, that he fears he will never be able to look a cow in the face again.

We now have all of our winter Underwear in and was fortunate in getting the same one that we handled last year at the same price. Our men's underwear weighs 16 ounces to the shirt, and costs you 43 cents each or 85 cents per suit. These are goods that are sold every year at 50c. The reason we can sell it at this price is that we buy by the case. Last year we bought a 36 dozen case and then we had to order again and we had to dozen to carry over. If you haven't tried this try it this winter, and the ladies that we mentioned we have showed it to a great many people and they say they have never seen as good one for anything like that price. Don't get it into your head that this is a 25c one selling for 24c, it is not.

Clothing! Clothing!

We have made a special effort this year on Clothing. Our sales have been increasing in this line and this certainly will cause any person to work the harder. All that we have space to say is that we can knock them all out, for where we sell one we can sell again. If you want an overcoat we have them. Oh, yes, we forgot to say anything about our boys underwear. It is heavier than ever and only costs the same as before, 24c. Felt window shades 8c; brass rods complete, 8c.
