Gentlemen, if you haven't bought an overcoat this fall, and you are going to need one, we have a word to say to you. We bought more overcoats this year than we have in any two years since we are in business, and have sold more. We think we are in a position to save you money on them the same as other goods. All we ask of you is, that you come in and see our line, and if we can't save you 25 per cent. on your purchase, then don't buy. And, in suits, the same is true, We have overcoats from \$2.48 to \$7.90; and if the \$7.90 coat is not as good as any \$10.00 coat you look at, we give up. In men's suits, we have them from \$2.35 to \$7.75, or to 12.00
