TEACHERS' INSTITUTE.

(Continued from first page.)

AFTERNOON SESSION.

The afternoon session began with music after which Prof. Griffith continued his instruction on "The Teacher at Work." "Open the Eyes of the Blind." He suggests "Repetition as the Foundation." The Teacher should go slowly. In connection with word teaching, Prof. Griffith said that we should not attempt to teach too many words in one lesson.

After an intermission of 10 minutes and a song, Prof. Rife occupied the next period. He took up the "Merchant of Venice," one of the branches of the Reading Course adopted by the teachers of the county at last year's Institute. He gives the plot of the play in a very interesting and understanding manner.

After a song, Dr. King occupied the next period. Dr. King continued his talk upon the Art of Expression after which, to the delight and enjoyment of the institute he ably recited Ben Hur.

The Odeon Quartette drew a big crowd last evening and the entertainment gave very general satisfaction. The recitations by Miss Nettie M. Jackson were especially well given.

The weather to-day promises to be fine and it will tax the capacity of the Hall of Justice to accommodate the large number of people that want to attend the sessions.

Huge Task.

It was a huge task, to undertake the cure of such a bad case of kidney disease, as that of C. F. Collier, of Cherokee, Ia., but Electric Bitters did it. He writes: "My kidneys were so far gone, I could not sit on a chair without a cushion, and suffered from dreadful backache, headache and depression. In Electric Bitters, however, I found a cure, and by them was restored to perfect health. I recommend this great tonic medicine to all with weak kidneys, liver or stomach. Guaranteed by Trouts, druggists; price 50c.

FIGHTING THE SAN JOSE SCALE.

Public Demonstration of the Method of Spraying Trees Given in F. P. Lynch's Orchard.

The public demonstration of the method employed for the destruction of the San Jose scale given by Mr. A. B. Lehman, one of the State Demonstrators, in Frank P. Lynch's plum orchard in this borough yesterday afternoon, brought together a large number of interested persons. To witness the demonstration, the County Institute went to the orchard in a body. The orchard is but a few hundred feet from the Court House, and but a comparatively short time was required to witness the demonstration.

Mr. Lehman will give a demonstration at Webster Mills, Thursday afternoon, at 2 o'clock, and in Mr. Ira Zimmerman's orchard in Thompson township, on Friday afternoon, after which Mr. Lehman will leave the county for the present.

Every farmer who has fruit trees should drop a postal card to Prof. H. A. Surface, Harrisburg, requesting a copy of the November bulletin of the Division of Zoology, and from it learn all about the San Jose Scale and how to treat it.

Mrs. Thomas Shaw, of Arr township, during the past summer raised a pair of twin pumpkins. The pumpkins have separate stems and are perfectly formed, yet united firmly together.

ROUSS RACKET STORE.

Gentlemen, if you haven't bought an overcoat this fall, and you are going to need one, we have a word to say to you. We bought more overcoats this year than we have in any two years since we are in business, and have sold more. We think we are in a position to save you money on them the same as other goods. All we ask of you is, that you come in and see our line, and if we can't save you 25 per cent. on your purchase, then don't buy. And, in suits, the same is true. We have overcoats from \$2.48 to \$7.90; and if the \$7.90 coat is not as good as any \$10.00 coat you look at, we give up. In men's suits, we have them from \$2.35 to \$7.75, or to 12.00 if made to order.

Don't let the Jew tell you that he has the Shippensburg 272 linen chain corduroy, unless you see for yourself. The price of this cord is \$2.38. We have cheaper ones too, \$1.25, \$1.75 and \$1.88. The \$1.88 cord is a fine corduroy and lined with drilling. Just got our hard cans in for this fall. They are 50 lb. cans, Japanese and a fastener on the top to hold lid on, 33c. each. Wash boiler, metallic bottom, 69 and 85c. The 85c. ones are the heaviest made. By chance we got 3 Rolls of Potter's first quality (the heaviest made) Floor oil cloth in 4-4, 6-4 and 8-4, at 24c. yd. We will agree that there are cheaper ones, but any fair person will tell you that this is the cheapest they ever heard of, this grade selling, think of it, only 24c. yd. Sure catch mouse traps, 2c. each, 20c. doz. Pocket dictionaries for school 12c; vest pocket, leather bound, 18c.; large size, 25c., 35c. and \$1.25; testaments, 8c.; Butcher knives, 9 to 25c.; Cake turners, 2 and 3c.; Dietz lanterns, 45, 65 and 85c.; 2-qt. granite bucket, 5c.; 3-qt. Concord bucket, 8c., 4-qt., 10c.
