Indigestion is easily overcome by the use of Kodol Dyspepsia Cure, because this remedy digests what you eat and gives the stomach a rest. It shows it to recuperate and grow strong again. Kodol relieves indigestion, belching of gas, sour stomach, heart burn, etc., and enables the digestive organs to transform all foods into the kind of rich red blood that makes health and strength.

The county auditors finished their work last Saturday. They found the County Treasurer, during the year, had received \$16,224 and paid out \$18,701.44, leaving a cash balance in his hands of \$191.60. The mileage for this year is the same as that of last year, namely, five and fifty cents, and one dollar for dogs. This rate was, of course, fixed by the old commissioners. The auditors also found that a debt of \$3,458.89 was resting on the county. The detailed statement will be published during the month of February.

A Tragic Finish.

A watchman's neglect permitted a look in the great North Sea dyke, which a child's finger could have stopped, to become a ruinous break, devastating an entire province of Holland. In like manner Kenneth McIver, of Valceon, Me., permitted a little cold to go unnoticed until a tragic finish was only averted by Dr. King's New Discovery. He writes: "Three doctors gave me up to die of lung inflammation, caused by a neglected cold; but Dr. King's New Discovery saved my life." Guaranteed best cough and cold cure, at Trout's drug store. 50c and \$1.00 trial bottles free.

Local Institute.

The fourth local institute of Taylor township, was held at Wintergreen school, last Friday evening.

What Can We Do for the Good of the Schools? The subjects were well handled by the teachers, which speaks well of their ability to meet the requirements of the schoolroom.

The pupils and teacher deserve much praise for the elegant recitations.

At the close of the institute, Dr. Davis spoke on the subject of "Education," pointing out to teachers and parents the great responsibilities which rest upon them, and stating many plain facts.

The very best of order prevailed.—Secretary.
