WATERFALL.

Z. B. Barnett purchased a fine work horse from Wm. Dishong, of Licking Creek.

Through the efforts of Merchant A. N. Witter and others, a "Blymer" 750 lb bell has been placed in position in the belfry at Zion M. E. church, and on last Sunday morning was said to have been heard a distance of 6 miles. May the ringing of this bell bring many more to the House of Worship.

Perhaps a little history of Shore Valley might be of some interest to some of the News readers. Shore Valley begins at Hubelsville, and extends northward, and is bounded on the west by Siding Hill mountain, and on the east, Clear Ridge, and derived its name from the name Shore, and perhaps the oldest settler in this little valley was Andrew Shore, who, back in the sixties was a prominent farmer by occupation, and also at that time, was a class leader of the old M. E. church at Zion, and mostly traveled by horseback, which was a distance of about 3 1/2 miles. Mr. Shore lived to a grand old age. Andrew Shore reared a family of seven children, some of which settled down in life in this little valley. Others have settled in the West. Eh and Calvin were both famous, and perhaps no one was better known in this end of Fulton and Huntingdon counties, than Eh (Squire Shore). He was a good, upright Christian man, and no better advisor could be found than he. Calvin, who was located only a short distance from the old homestead, was a progressive fruit raiser; also his equal could hardly be found in regard to fruit raising. Both Eh and Calvin departed this life about one year ago, only a short time intervening between them. Only one brother of the old Shore family remains living in Pennsylvania; Simeon, who lives on Clear Ridge. G. Bruce Shore is the only remaining Shore in this valley, who, like his uncle Calvin, is greatly interested in raising fruit. No finer place can be found than his, for fruit of all kinds. The next oldest settlers in this little valley are the Ruperts and Curfmans, all who own farms, and are prosperous. This valley is supplied with a Mutual Telephone system, which, connected with five other lines, almost form a central at Waterfall. Every farmer and citizen in this valley has connection with this line, which extends some 8 miles north of Waterfall.

Wedding Rings

Used to be that wedding rings were selected without any particular thought of design or style, in fact people even didn't have the same choice of quality then as now. The buying of the ring of to-day has every advantage thrown about it that modernizing has done for everything else, fashion has decreed a certain weight a certain width and a certain shape, and from Maine to California the most popular up-to-date wedding rings in every respect is known by TIFFANY—everybody is wearing this ring—probably they paid \$5 or \$25 but the style is the same, the cost regulated by the weight.

Now if you are thinking about a wedding ring purchase it here is the pointer on what is proper. We have the Tiffany 18 kt. and 14 kt. seamless in all of the most popular width and all sizes nicely engraved with initials and date from \$4.50 to \$7. All solid gold and a fit guaranteed.
