One would think the Laxative idea in a cough syrup should have been advanced long before it was. It seems the only rational remedy for coughs and colds would be to move the bowels and clean the mucous membranes of the throat and lungs at the same time. Kennedy's Laxative Honey and Tar does this. It is the original Laxative Cough Syrup, the best known remedy for coughs, colds, croup, whooping cough, etc.—Tastes good and harmless. Sold by Stouteagle Bros.

GIBSON PICTURE FAD SEIZES COLLECTORS

Takes Place of Post Card Craze With the Young Women.

The Gibson picture habit has been effectively fastened on a big proportion of the reading population of this section by the publication by the Sunday North American of ten of the latest of this great American artist's pictures as art supplements. It has started the Gibson collection fad, and this promises to last until the last of the pictures are out.

There was a time when the Gibson girl was the idol of the young woman. Now the Gibson art supplement gives everybody an opportunity to collect the artist's works, and there will be few homes that will not have a good representation within the next few weeks.

For the time being the collection of Gibson drawings has taken the place of the collection of post cards in Philadelphia, and the fad is certain to spread to all of the towns where the pictures are made so easily obtainable.

The picture which "The North American" is to issue next Sunday is "A Castle in the Air." It is one of the most forceful of Gibson's works, and teaches a broad moral lesson to young people and old alike.

We are glad to learn that ex-sheriff Wm. Pittman who has been suffering with a severe attack of pneumonia, is much improved and on a fair way to recovery.
