Wire Fence! Wire Fence!

Much Cheaper Than

Any Style of Wood Fence

Let us figure together. A stick of timber that will square 6 inches and is 16 feet in length, will make 494 feet of lumber, which at \$1.50 a hundred, is worth 75 cents. Now, I can sell you a good wire fence for 32c a rod, which is less than half the cost of a board fence.

The style I sell at 32c is a "banker" fence. A witness in court was once asked what kind of fence he had, when he made the reply, "I have a 'banker' fence." "What kind of fence is that, thundered the court." "A 'banker' fence," answered the witness, "is a fence that is horse-high, bull-strong, and pig-tight." That is just the kind of fence I sell. The price ranges from 23c to 40c, a rod depending on the style and height.

I also sell the

DEERING HARVESTING MACHINERY

—the best on earth. I have just bought my twine and will guarantee the price now. Machine Oil from 15c. to 40c. a gallon. Lined oil, harness oil, cylinder oil, turpentine, white lead, and ready-mixed paints—all at rock-bottom prices.

I am closing out a lot of good horse blankets at cost. Collars, collar pads, trace chains, halter chains, &c. at very close prices. I have the best assortment of axes to be found anywhere in town. Axe handles, pick handles, sledge handles, Simon cross-cut saws, Dorton cross-cut saws, hand saws, a complete line of strap and heavy bar-door hinges. Plumber's supplies—such as pipe, fittings, spigots, &c. I have on hand all the time a stock of Lane's patent bar-door hangers and tracks—the best hanger on the market—can't get off the track. Proved cable chain from 1/2 to 1 on hand all the time, price ranging from 44 to 7 cents a pound.
