Don't tie a cough or a cold up in your system by taking a remedy that binds the bowels. Take Kennedy's Laxative Honey and Tar. It is different from all other cough syrups. It is better. It opens the bowels—expels all cold from the system, relieves coughs, colds, croup, whooping cough, etc. An ideal remedy for young and old. Children like it. Sold by Stouteagle & Bro.

What could be more diabolical than the placing of sticks of dynamite in the soil that a farmer was plowing, in order to destroy his life? Such is the report that comes from Indiana. The whole story is too diabolical for belief, were it not well authenticated. What kind of stuff must a man be made of who could be guilty of such a cruelly infamous thing as this? Human nature has a great many phases, but this is the most devilish conception of which Satan himself could hardly be guilty.

### Political Jobs are Barred.

Before announcing the appointments at the Central Pennsylvania Methodist Conference, at Tyrone, Bishop Berry took occasion to condemn the practice of active ministers doing other work than God's work.

He said that were it not for the fact that Rev. Charles V. Hartzell, who holds a political appointment at Harrisburg, has but a year to serve in his State job, having been appointed for four years, he would not appoint him to a charge in the Central Pennsylvania Conference. He did it very reluctantly as it was, he said, and perhaps would not have done it all were it not for the fact that the charge he will serve is too poor to pay a minister. He was reappointed to Millerstown, in the Juniata district, which pays \$300 a year.

"Political appointments are an unfortunate and evil trend in the ministry to say the least," declared Bishop Berry. "We should be careful to see that the vow we made to God that we will give all our time to His work, is kept."

Rev. Mr. Hartzell is the clergyman who had the disagreement with Dr. Swallow some years ago. No other minister in the Central Pennsylvania Conference is likely to accept political office in the future.

Living indoors so much during the winter months creates a sort of a stuffy, want-of-ozone condition in the blood and system generally. Clean up and get ready for spring. Take a few Early Risers. These famous little pills cleanse the liver, stomach and bowels and give the blood a chance to purify itself. They relieve headache, sallow complexion, etc. Sold by Stouteagle & Bro.

On last Friday evening, the first fair of the season made his appearance on our streets. In the afternoon he announced a "free show." In the evening when a crowd had gathered, he proceeded to sell soap, and after selling a number of cakes, returned the money. He then proceeded to sell razors at \$1.00 each. Each man that bought expected to get his money back, same as those who had bought soap. After selling quite a number of razors he said it looked so much like rain that he would postpone business until Saturday night, when great bargains would be offered. As soon as he packed up, he ordered his team and left. The razors are worth about 25 cents apiece.

### Spangler Predicted Quake.

Spangler, the Pennsylvania prophet, who has been making predictions for a number of years, among his prophecies for 1906 last January, which were published on January 12, included a destructive eruption of Mount Vesuvius and destructive earthquakes in San Francisco and the Philippines. The Philippine earthquake is yet to come, but the other two prognostications have been signally verified.

## Wire Fence! Wire Fence!

### Much Cheaper Than Any Style of Wood Fence

Let us figure together. A stick of timber that will square 6 inches and is 101 feet in length, will make 491 feet of lumber, which at \$1.50 a hundred, is worth 75 cents. Now, I can sell you a good wire fence for 32c a rod, which is less than half the cost of a board fence.

The style I sell at 32c is a "bunkum" fence. A witness in court was once asked what kind of fence he had, when he made the reply, "I have a 'bunkum' fence." "What kind of fence is that, thanked the court?" "A 'bunkum' fence," answered the witness. "Is a fence that is horse-high, bull-strong, and pig-tight." That is just the kind of fence I sell. The price ranges from 25c to 60c, a rod depending on the style and height.

I also sell the
