Dillsburg was the scene of a unique spectacle recently, in which a large dead cat figured. An aged lady's fine cat died, and so great was her sorrow that she had an undertaker make a fine coffin which was nicely trimmed, and the coffin with the cat in it was placed in the parlor of her home, where many friends, including a large number of scholars of the public schools, viewed them.

It would be well for some of our citizens to remember that Gov. Wire Fence! Wire Fence!
Much Cheaper Than
Any Style of Wood Fence
Let us figure together. A stick of timber that will square 6 inches and is 104 feet in length, will make 49 feet of lumber, which at \$1.50 a hundred, is worth 75 cents. Now, I can sell you a good wire fence for 32c a rod, which is less than half the cost of a board fence.
The style I sell at 32c is a "bunker" fence. A witness to court was once asked what kind of fence he had, when he made the reply, "I have a 'bunker' fence." "What kind of fence is that, landlord?" "That is a 'bunker' fence," answered the witness, "is a fence that is horse-high, bull-strong, and pig-tight." That is just the kind of fence I sell. The price ranges from 25c to 60c, a rod depending on the style and height. I also sell the
DEERING HARVESTING MACHINERY
—the best on earth. I have just bought my twine and will guarantee the price now. Machine Oil from 18c. to 40c., a gallon. Lined oil, harness oil, cylinder oil, turpentine, white lead, and ready-mixed paints—all at rock-bottom prices.
I am closing out a lot of good horse blankets at cost. Collars, collar pads, trace chains, halter chains, &c., at very close prices. I have the best assortment of axes to be found anywhere in town. Axe handles, pick handles, sledge handles, Simon crosscut saws, Dixon cross-cut saws, hand saws, a complete line of strap and heavy bar-door hinges. Plumber's supplies—such as pipe, fittings, spigots, &c. I have on hand all the time a stock of Lane's patent bar-door hinges and tracks—the best hanger on the market—can't get off the track. Proved cable chain from 4 to 4 on hand all the time, price ranging from 4c to 7 cents a pound.
