Editor Lands Nomination.

Editor Harry A. Thompson, of the Tyrone Times, was one of the three persons nominated for the legislature at the recent primary election in Blair county. There were some other fellows over there that wanted the nomination and put up a stiff fight for it, but Harry, although a comparatively new man in the county and a young man, too, was too much of a hustler for them, and he made them bite the dust. We congratulate our young friend, and hope that he may be elected and go down to Harrisburg next winter and use his energy in getting a trolley freight bill through, a two cent fare on the railroad, and such other legislation as shall land the public thieves in the penitentiary and permit the sunshine of political freedom to shine in unobstructed on the common people of boss-ridden Pennsylvania.

Wire Fence! Wire Fence!

Much Cheaper Than Any Style of Wood Fence

Let us figure together. A stick of timber that will square 6 inches and is 164 feet in length, will make 494 feet of lumber, which at \$1.50 a hundred, is worth 75 cents. Now, I can sell you a good wire fence for 32c a rod, which is less than half the cost of a board fence.

The style I sell at 32c is a "bunkum" fence. A witness in court was once asked what kind of fence he had, when he made the reply, "I have a 'bunkum' fence." "What kind of fence is that, thundered the court." "A 'bunkum' fence," answered the witness, "is a fence that is horse-high, bull-strong, and pig-tight." That is just the kind of fence I sell. The price ranges from 25c to 60c, a rod depending on the style and height.

I also sell the

DEERING HARVESTING MACHINERY

—the best on earth. I have just bought my twine and will guarantee the price now. Machine Oil from 15c. to 40c. a gallon. Linseed oil, harness oil, cylinder oil, turpentine, white lead, and ready-mixed paints—all at rock-bottom prices.

I am closing out a lot of good horse blankets at cost. Collars, collar pads, trace chains, halter chains, &c., at very close prices. I have the best assortment of axes to be found anywhere in town. Axe handles, pick handles, sledge handles, Simon cross-cut saws, Diston cross-cut saws, handsaws, a complete line of strap and heavy barndoor hinges. Plumber's supplies—such as pipe, fittings, spigots, &c. I have on hand all the time a stock of Lane's patent barndoor hangers and tracks—the best hanger on the market—can't get off the track. Proved cable chain from 3 to 10 on hand all the time, price ranging from 44 to 7 cents a pound.
