Letter to S. B. Woollett, McConnellsburg, Pa.

Dear Sir: The cheapest thing in the way of sending anything over the world is a postage stamp; and the cheapest way to shed water is paint.

Not whitewash; paint. Do you happen to know—it don't belong to your business to know about paint, you know—do you happen to know that most of the makers of paint stuff it out with lime and clay and sand and water and air?

They do stuff it out in the can; but not on the house. They make more gallons to sell or to buy; more money to pay for paint; more money to pay for putting it on; a good deal more money to pay for putting it on; but no more beauty; more rust, decay, disappointment, loss.

Devote is your paint, because it's all paint, no shrim, and full measure.

Yours truly F. W. DEVOE & Co., New York.

S.—F. C. Bare, Fort Littleton, sells our paint.

A Texas Wonder.

There's a Hill at Bowie, Tex., that's twice as big as last year. This wonder is W. L. Hill, who from a weight of 90 pounds has grown to over 180. He says: "I suffered with a terrible cough, and doctors gave me up to die of consumption. I was reduced to 90 pounds, when I began taking Dr. King's New Discovery for consumption, coughs and colds. Now, after taking 12 bottles, I have more than doubled in weight and am completely cured." Only sure cough and cold cure. Guaranteed at Trout's drug store. 50c and \$1.00. Trial bottle free.

Jewels Lost By Royal Persons.

Members of royal families are as likely to lose valuable articles as other people, although they do not advertise as frequently in the newspapers.

Only a few months ago Queen Alexandria of England missed a highly prized memento in the shape of a diamond-set miniature of the late Queen Victoria. Detective agencies were set at work, but the locket was returned through the honesty of a railroad policeman, who found the missing article in the station where the Queen had recently alighted from a train. He received a reward of \$5.

State functions in Europe rarely pass without several articles of jewelry being discovered in the rooms. At the coronation of Queen Victoria the late Prince Nicholas Esterhazy dropped precious stones valued at \$10,000.

This sum also represents the value placed upon a string of pearls and diamonds lost by Lady Mount Stephen upon the occasion of a festive event in Windsor Castle in 1904. She offered \$250 reward for the return of the gems, and soon recovered them.

They had not been dropped in the castle at all, but at the Great Western Railway Station, and were found by a railroad employe.

Some years ago Queen Nataha, of Servia, lost a valuable diamond ring that she had worn over twenty years. After a time the ring was recovered, and was given to the Little Sisters of the Poor, who were thereby enriched to the extent of something like \$4000.

Some time ago King Edward lost a favorite dog, a wiry-coated fox terrier. Under royal orders, a very extended search was made in which the telegraph was freely used. Finally, the dog was captured at a railroad station, where it had frequently gone with the King. The finder received a reward of \$250.

The commissioners of Bedford county, have turned down all the bids received for the repair of the big bridge at the Juniata Crossings, six miles east of Everett—regarding them all excessive. About a dozen bids were received and for the masonry, the price ran from \$270 to \$7.00 a cubic yard. If the \$270 man could get through, the \$7.00 man ought to have a chance.

Annual County Sunday School Convention.

What is said by competent authorities to have been the best Sunday school convention ever held in the county, closed its sessions in the Hustontown M. E. church last Friday evening. By all it was conceded to have been the best numerically Fulton county has ever had. By all it was also conceded to have been the best in the number of prominent Sunday school workers presented. The State Association sent the convention that practical, indefatigable worker, Dr. Lang, of Philadelphia. Among the local workers present who entertained and instructed the large audience at each session we specially mention, Miss Baumgardner, M. R. Shaffner, Miss Reischer, Miss Grove, Hon. S. L. Buckley, Hon. S. P. Wishart, Rev. Daniels, and Mrs. Cook. Many others cheerfully added their mite as occasion was offered. Mr. Shaffner represented Mr. B. W. Peck, president of the county association, who was not physically able to be present, having just recovered from a serious attack of typhoid fever.

The address of Miss Baumgardner on "The Teacher's Supreme Object," the address of Miss Reischer on "Greatest Needs in the Elementary Grade Work," and the address of Miss Grove on "Absolute Necessity of Intelligent Teaching," deserve to be reproduced in print but space forbids.

An earnestness born of sincere interest in the work characterized the proceedings throughout, and while it was one among if not the best convention ever held in the county it remains to be seen if the benefits resulting from it will be proportionately good.

The committee appointed to nominate officers for the coming year, composed of S. P. Wishart, J. H. Kendall, and H. N. Barton, reported at the Friday afternoon session as follows: E. H. Kirk, president; G. W. Hays, vice president; Maud Baumgardner, permanent secretary; Hon. John P. Sipes, treasurer; Minnie Reischer, primary secretary; M. R. Shaffner, Mary Grove and Mrs. Geo. W. Reischer, executive committee.

The good people of Hustontown though saddened because of the death of one of its most highly esteemed ladies, welcomed the delegates and friends with smiles and proverbial open-handed hospitality. Both entertainers and entertained were pleased to a degree seldom experienced and hope at some future time to have the pleasure of entertaining another county Sunday school convention.
