

Mr. and Mrs. S. W. Truax, of Gem, were pleasant callers at the News office Monday.

Abner Gordon, of Thomson, spent a few hours in town last Friday.

WANTED at Paul Wagner's Tannery, calf skins, sheep skins, horsehides and tallow. 9, 10 and 12 cents paid for beef hides.

Money to loan in lots of not less than \$200. Mortgages and judgments bought and sold. Apply to M. R. Shaffner.

Paul Allen, of Chambersburg, accompanied Rev. Waldo to Fulton county last week to attend the installation of Dr. West. They were entertained in the home of the Misses Dickson.

Rev. J. G. Rose, D. D., of Mercersburg was accompanied to McConnellsburg last Friday by his wife, his son James, and his daughter Virginia. They returned home Saturday evening.

Invitations are out for the wedding of Mr. Charles Deshong and Miss Sadie Hann, at the home of the bride's mother, Mrs. Anna Hann, near Salvia, on Wednesday, June 20th.

Miss Ada Rexroth, after having completed another year's work as teacher in the public schools at Newtown, Bucks county, has returned to her home in this place for her summer vacation.

The sworn statement of the manufacturers protects you from opiates in Kennedy's Laxative Honey and Tar—the cough syrup that drives the cold out of your system. Sold by Stouteagle & Bro.

Squire Geo. W. Decker, of Licking Creek, township, went out to the barn one morning last week, and while carrying one of his colts, the animal kicked Mr. Decker, breaking one of the bones in one of his arms. Dr. George Robinson went out and "set" the broken bone, but Mr. Decker is likely to have a vacation from work for some time.

Johnnie Martin, of Locust Grove, was a business visitor at the County Seat last Friday. Mr. Martin has been spending part of his time during the last two years working at the carpenter trade in Hancock. He has recently received his license as undertaker, and with the finest hearse in the county, and a full line of caskets and coffins on hand, he is prepared for undertaking work on short notice.

The sincerest tribute that can be paid to superiority is imitation. The many imitations of DeWitt's Witch Hazel Salve that are now before the public prove it the best. Ask for DeWitt's. Good for burns, scalds, chafed skin, eczema, tetter, cuts, bruises, boils and piles. Highly recommended and reliable. Sold by Stouteagle & Bro.

Frog hunters should not forget that frogs are now under the protection of the law the same as fish. The open season commences on July 1 and continues until November 1, and any caught at other times makes the person so offending liable to severe fine. Even in season it is unlawful to shoot them or to catch them in any other manner than with hook and line or with the hands.

Mr. and Mrs. J. Miller, C. E. Mayes, and Dr. C. N. Trout—all of Red Lion, Pa., left Red Lion shortly after noon last Friday in Mr. Mayes' new automobile (a Buick), ran up to York a distance of ten miles, thence via Gettysburg and Chambersburg, stopping at the latter place and adding Mrs. Neil Snoemaker to their party, came on to McConnellsburg, and were here in time for supper. The party were guests over Sunday of Dr. Clarence's mother, Mrs. M. B. Trout.

There is no need worrying along in discomfort because of a disordered digestion. Get a bottle of Kodol for Dyspepsia, and see what it will do for you. Kodol not only digests what you eat and gives that tired stomach a needed rest, but is a corrective of the greatest efficiency. Kodol relieves indigestion, flatulency, palpitation of the heart, distention, and sour stomach. Kodol will make your stomach young and healthy again. You will worry just in the proportion that your stomach worries you. Worry means the loss of ability to do your best. Worry is to be avoided at all times. Kodol will take the worry out of your stomach. Sold by Stouteagle & Bro.

Irwin's Stock of Groceries and Table Condiments has been carefully selected, and embraces a full assortment. Our prices will please you. We invite you to come often.

We have been informed by the postmaster at Akersville that the pack of Fulton County News for the subscribers at the Akersville postoffice, does not reach that office until Friday; sometimes not until Saturday, and not infrequently it does not get there until Monday. Now, there is something wrong with the postoffice management on that route. The News leaves McConnellsburg at 2:45 every Wednesday afternoon, and should reach Breezewood Wednesday evening; and then, there is no reason why it should not be sent over to Akersville the next day—Thursday. Now, that the publication day has been made one day later, the News should reach Akersville every Friday. Our subscribers there will confer a favor on us if they will give us notice if the paper does not get there on time.

You cannot induce a lower animal to eat heartily when not feeling well. A sick dog starves himself and gets well. The stomach, once overworked, must have rest the same as your feet or eyes. You don't have to starve to rest your stomach. Kodol for Dyspepsia takes up the work for your stomach, digests what you eat and gives it a rest. Puts it back in condition again. You can't feel good with a disordered stomach. Try Kodol. Sold by Stouteagle & Bro.

**Change of Publication Day.**  
At the suggestion of many of our subscribers, and after due consideration on the part of the publisher, it has been decided to publish the News hereafter on Thursday instead of Wednesday. Publishing on Wednesday means that there is little chance to get anything into the paper that happens after Tuesday evening, and the correspondence and other copy received by Tuesday evening's mail is generally too late. By making Thursday the publication day, we shall be able to give one day's more news; shall be able to give the election returns, more of the court proceedings, and still be able to reach all our county subscribers by Saturday.

**A Big Catch.**  
On Thursday of last week, Bert Winegardner, Arthur Kerlin, Howard Kerlin, Ella Tice, Lou Kerlin, Myrtle Stevens and Edna Kerlin boarded a hack, and with fishing tackle, luncheon, etc., spent the day at "Madden's Dam" fishing. As the weather was fine and the conditions just right for fishing, it is reported they were well paid for the day's effort, but as the supply at that place seems inexhaustible, they admit there is plenty more for others who care to go.

I hereby certify that the above statement is a true copy of the several accounts as audited by the auditors of Belfast township, Fulton county, Pa., for the year ending March 5, 1906.

L. P. MORTON,  
W. R. PALMER,  
J. J. PALMER,  
RETHEN S. MELLOTT, Auditors.  
Clerk.

It seems there is a discrepancy in the above statement. I have striven to settle my confusions that there is a wrong somewhere; but it is impossible for me to do so. I call the attention of the tax payers of Belfast township to examine the account carefully, and probably some one can give a lucid explanation of the account. LET US HEAR FROM YOU.

Very respectfully,  
J. THOMAS LALEY.

## Wire Fence! Wire Fence!

### Much Cheaper Than

### Any Style of Wood Fence

Let us figure together. A stick of timber that will square 6 inches and is 164 feet in length, will make 40 feet of lumber, which at \$1.50 a hundred, is worth 75 cents. Now, I can sell you a good wire fence for 32c a rod, which is less than half the cost of a board fence.

The style I sell at 32c is a "bunkum" fence. A witness in court was once asked what kind of fence he had, when he made the reply, "I have a 'bunkum' fence." "What kind of fence is that, thundered the court." "A 'bunkum' fence," answered the witness, "is a fence that is horse-high, bull-strong, and pig-tight." That is just the kind of fence I sell. The price ranges from 23c to 90c, a rod depending on the style and height.

I also sell the

### DEERING HARVESTING MACHINERY

—the best on earth. I have just bought my twine and will guarantee the price now. Machine Oil from 18c. to 40c. a gallon. Linseed oil, harness oil, cylinder oil, turpentine, white lead, and ready-mixed paints—all at rock-bottom prices.

I am closing out a lot of good horse blankets at cost. Collars, collar pads, trace chains, halter chains, &c., at very close prices. I have the best assortment of axes to be found anywhere in town. Axe handles, pick handles, sledge handles, Simon cross-cut saws, Dixon cross-cut saws, hand saws, a complete line of strap and heavy hand-door hinges. Plumber's supplies—such as pipe, fittings, spigots, &c. I have on hand all the time a stock of Lane's patent hand-door hangers and tracks—the best hanger on the market—can't get off the track. Proved cable chain from 4 to 1 on hand all the time, price ranging from 44 to 7 cents a pound.
