Joseph Sipes and wife, of Lackington Creek township, were early Monday morning shoppers in town. Mr. Sipes and son Homer are as busy as ever this summer building barns. They raised a fine one for Obed T. Mellott last Wednesday. The building is a bank barn 40x70—dressed siding and modern style. Mr. Sipes and son have also a contract for the building of a good barn for the Palmer brothers near Sipes Mill, to be finished before harvest which will make them hustlers.

There is no need worrying along in discomfort because of a disordered digestion. Get a bottle of Kodol for Dyspepsia, and see what it will do for you. Kodol not only digests what you eat and gives that tired stomach a needed rest, but is a corrective of the greatest efficiency. Kodol relieves indigestion, dyspepsia, palpitation of the heart, flatulence, and sour stomach. Kodol will make your stomach young and healthy again. You will worry just in the proportion that your stomach worries you. Worry means the loss of ability to do your best. Worry is to be avoided at all times. Kodol will take the worry out of your stomach. Sold by Stouteagle & Bro.

N. R. Henry & Son put the finishing stroke on Johnnie Magsam's big barn last Saturday, and hastened away to begin on one for somebody else. Johnnie is one of the most public spirited citizens in the County. It was he that purchased the first land and laid out town lots and began the building up of the East End extension; and with the completion of the barn to which we have just referred, he has placed upon his farm south of the Mercersburg pike, a mile and a half south-east of McConnellsbury, a set of farm buildings of which any farmer might justly be proud. The Messrs. Henry have nothing but the kindest expressions of satisfaction of their business relations with Mr. Magsam, and hope that the time may not be far distant when Johnnie may be snugly ensconced in his new house with a wife selected from the many fair damsels of Little Fulton.

Wire Fence! Wire Fence!

Much Cheaper Than Any Style of Wood Fence

Let us figure together. A stick of timber that will square 6 inches and is 104 feet in length, will make 49 feet of lumber, which at \$1.50 a hundred, is worth 75 cents. Now, I can sell you a good wire fence for 32c a rod, which is less than half the cost of a board fence.

The style I sell at 32c is a "bunker" fence. A witness in court was once asked what kind of fence he had, when he made the reply, "I have a "bunker" fence." "What kind of fence is that, thundered the court?" "A "bunker" fence," answered the witness, "is a fence that is horse-high, bull-strong, and pig-tight." That is just the kind of fence I sell. The price ranges from 23c to 60c, a rod depending on the style and height.

I also sell the

DEERING-HARVESTING MACHINERY

—the best on earth. I have just bought my time and will guarantee the price now. Machine Oil from 18c. to 40c. a gallon. Lined oil, harness oil, cylinder oil, turpentine, white lead, and ready-mixed paints—all at rock-bottom prices.

I am closing out a lot of good horse blankets at cost. Collars, collar pads, trace chains, halter chains, &c., at very close prices. I have the best assortment of axes to be found anywhere in town. Axe handles, pick handles, sledge handles, Simon cross-cut saws, Dixon cross-cut saws, hand saws, a complete line of strap and heavy hand-door hinges. Plumber's supplies—such as pipe, fittings, spigots, &c. I have on hand all the time a stock of Lane's patent barbed-irons and tracks—the best hanger on the market—can't get off the track. Proved cable chain from 2 to 4 on hand all the time, price ranging from 4 to 7 cents a pound.

SAY FARMER!

We have bought a nice lot of clipper mowing scythes, that we can sell you at 50c, and the scythe and snath complete, \$1.10. This is the patent snath, not the old pin snath. See our line of scythe stones, 5c; 14 in. deep jelly plates 4c, tin cups 2c, Pie plates, deep, 2 for 5c and 3 for 10; Milk strainers 12 and 16c. quart measures 4c, dishpans 10 to 35c each, lamps, complete, 20 to 35c.

RIBBONS! RIBBONS!

We believe that we have the best and cheapest line of ribbons on the market. We handle the Richardson, and every body knows these goods, but they always have been sold so high that people didn't buy them. We sell them at a short profit, and sell lots of them.
