Accept the Tender of Good Offices,

Washington, D. C. (Special) .- Both Guatemala and San Salvador have accepted the tender of the good offices of this government looking to a settlement. of their differences. This information is conveyed in official dispatches received at the State Department from the American diplomatic representative in Guatemala and San Salvador, an nomicing that the two belligerent com tries have availed themselves of the tender of the good offices of the United States looking to their approaching each other in a conference having in view an adjustment of their differences, the ces sution of hostilities and the bringing about of peace.

is stated that while both Guatemala and Salvador have accepted in principle the proposition for a peace conference. question of arbitration would be the subject of future consideration. A fort night ago there was a disposition on th part of the belligerents to arbitrate. The jugation then was whether Guatemal had injured Salvador by harboring in surgents on her territory or scheduer Salvador by doing the same thing had injured Gastemala.

But the recent battle, with the death of General Regalado, the former presi-dent of Salvador and the leader of the Salvadorean troops, charged the situation. It is pointed our that as no territorial or boundary question is in dis-pute the matter of indomnity for invasion te the matter of monotony mininguestion territory would be a main question for seven conference. So far before the peace conferenceno advices have reached this government regarding the battle which took place Saturday night and in which, as stated in San Salvador advices, the Salvadorean enzy defeated the Guatemalan forces at

Berks County farmers have been cutting wheat, and in consequence there a great demand for farm hands to assist in the harvest fields. In some parts of the county they have great difficulty in getting sufficient help and the farmers' wives and daughters are working in the fields. One of the principal reasons for this is that many families who formerly lived in the country have moved in the city. The best hands in the field receive \$1 and \$1.50 a day, while others get 75 cents. The wage includes meals and lodging. They start work at 6 Λ -M, and quit at 8 P, M.
