Orders Caps For Police. Rhinelander Waldo, First Deputy Police Commissioner, issued an or-der that when approaching winter retires the summer helmets, caps shall be substituted. A policeman in a cap will be a novel sight for New Yorkers. At present caps are to a certain extent insignia of rank, being worn by sergeants, captains and inspectors. The traffic squad and mounted police, the bicycle squad and the motor cycle squads wear caps, but they are of a distinct design, and are not to be confused with those of the officers.

Head Crushed In Elevator.

Miss Sarah A. Fletcher, a public stenographer, was instantly killed in the Townsend Building in an elevator. Miss Fletcher tried to leave the car before the floor had been reached, and the elevator boy placed his arm across the door to prevent her egress. The woman pressed against his arm and he involuntarily pulled the lever. The car shot up and Miss Fletcher's head was crushed against the top of the doorway and the floor of the car.

Tried To Burn Babies.

The most cruel attempt at revenge or the strangest manifestation of insanity probably ever dealt with by the Police Department was brought to public notice here, when it was learned that twice in four days efforts have been made to burn in-fants in their carriages on the block known as "Baby Carriage Row, where, every day, 250 helpless in-fants are seen. Because of the work of the maniac mothers will not let their smaller children out of their

Died In Undertaking Shop.

Walking into the rear room of an undertaker's shop where bodies are prepared for burial, Henry Krekel, a ticket speculator, who was known as "Handsome Harry" before his dismissal from the police force, committed suicide by shooting himself in the mouth. Krokel was one of the best known ticket speculators in the city and was conspicuous along Broadway, where he conducted a handbook on the races.

Child Hit By Car Unburt.

Five-year-old Grace Kauffman, while crossing Madison Avenue, was knocked down by a swiftly moving northbound car. She fell under the front of the car and was dragged along for several feet. The end of the car had to be lifted up to get her out, and everybody in the crowd thought she must have been killed, for she made no noise. was, however, only slightly bruised.

"Pat" Crowe Arrested.

"Pat" Crowe, of Omaha, who became notorious through his connecwith the Cudahy kidnapping case, and who recently came to this city, was arrested Tuesday. Crowe was charged with being a suspicious person. The police were unable to find a record of a case against him in which he was wanted, however. After being at headquarters about an hour he was released.

Many Hiegal Divorces. In compiling the statistics of the divorces granted in the county of York, William N. Jarvis, of the Washington Census Bureau found that in many cases the judgments have not been entered upon the records and duly filed. The result is that no decision has been placed upon record and the parties have not been legally divorced. If made public, this would make bigamists of many couples married in good

faith.

Accused Motorman Gone. Notwithstanding its promise that would have Motorman De Moss Cosnomos on hand when Coroner Brewer opened the inquest into the death of Fannie Rodinsky, the B. R. T. officials failed to produce the They said that they had man. searched everywhere, but could not find him. This statement angered the Coroner, who declared he would no longer rely on the pledge of the Railroad Company, but would under-

take to find the motorman himself.

Sculptor Weds At 76. J. Q. A. Ward, the veteran sculptor, married his landlady on July 19, and succeeded in keeping the wedding a secret until Thursday. is 76 years old, and this is his third marriage. The new Mrs. Ward was widow, Mrs. R. M. Ostrander

Smith. The sculptor is well known because of his statue of Washington in Wall Street

Woman Smashes Tramp. As Miss B. Sheldon and Mrs. B. Rogers of Newark were cycling through woods, a tramp jumped into the road and grabbed the handle-bar of Miss Sheldon's machine. Mrs. Rogers ran her wheel into the couple, knocking them both down. The man then seized Mrs. Rogers, whom he attempted to drag off the road. Miss Sheldon picked up a large stone, and, smashed him in the face with it. The man, with his face bleeding, disappeared in the

Killed By Locomotive.

Syracuse, N. Y., (Special) .- A pecultar accident occurred here, resulting in the death of George Carberry, 30 years old, while aslep in his bed. A shifting engine on the West Shore siding went over a tie crosswise of the tracks, tore down a telegraph pole and flag shanty and crashed into the Carberry house. The second story fell in on the first, pinning carberry in his bed. Three of the family on the second floor escaped serious injury.

Hotel Insurance Loss. San Francisco, (Special) .- The in-

surance loss on the Palace Hotel has been adjusted — \$1,302,610. This is more than the insurance companies will have to pay, for the total insurance of the building was only \$1,265,000. It being a total loss, therefore a liability of a trifle over a million and a quarter will be distributed as the control of the distributed among 98 companies involved in the loss. This is said to have been the largest loss upon a single risk ever adjusted in this country.
