A bath cleanses the skin and rid's the pores of refuse. A bath makes for better fellowship and citizenship. Not only should the outside of the body be cleansed, but occasional use of a laxative or cathartic opens the bowels and clears the system of effete matter. Best for this are DeWitt's Little Early Risers. Pleasant little pills that do not gripe or sicken. Sold at Trout's drug store.

Mrs. Mamie Anders and her daughter Mae, who had been visiting in town and the Cove, returned to their home in Martinsburg, W. Va., on Tuesday. Great Offer.

One of the most popular city weekly newspapers is the **Toledo Blade**. It is a large eight-page paper, and has a wide circulation all over the United States. Through a special arrangement with the publishers of that paper, **The Fulton Democrat** and the **Blade** will be sent to any address for one year for only **one dollar**. As this offer is good for thirty days only, persons to take advantage of it, should act promptly, as after that time, both papers can only be had at the regular price.

No such offer has ever been made to the people of this county, and, of course, cannot hang out long.

THOMPSON.

The schools in Thompson opened the 17th, with a large attendance.

Rev. Jno. H. Barney preached to a large congregation at Damascus last Sunday morning, and to crowded houses at Bald Eagle and Antioch in the afternoon and evening.

A SCIENTIFIC WONDER.

The cures that stand to its credit make Bucklen's Arnica Salve a scientific wonder. It cured E. R. Mulford, lecturer for the Patrons of Husbandry, Waynesboro, Pa., of a distressing case of piles. It heals the worst burns, sores, boils, ulcers, cuts, wounds, chilblains and salt rheum. Only 25c at Trout's Drug store.

Torture By Savages.

"Speaking of the torture to which some of the savage tribes in the Philippines subject their captives, reminds me of the intense suffering I endured for three months from inflammation of the kidneys," says W. M. Sherman, of Cushing, Me. "Nothing helped me until I tried Electric Bitters, three bottles of which completely cured me." Cures liver complaint, dyspepsia, blood disorders and malaria; and restores the weak and nervous to robust health. Guaranteed at Trout's drug store. Price 50c.

The Telegram Game.

The head of each paper must bear ten letters selected at random by the hostess, each paper bearing the same letters. Within a given time, usually five or ten minutes, each must write a telegram of ten words whose initial letters shall be at the head of the paper. For example, given the letters T. T. P. A. W. I. N. R. D. S., one telegram might read:

"Take two pellets aconite; wire immediately no relief. Dr. Snow." If you want 18c. per lb. for your butter, 18c. per doz. for eggs, 60c. per bu. for onions, 50c. per bu. for potatoes—take them to Huston, at Saltillo.

Surprise Party.

Last Saturday was a day of more than ordinary pleasure to Mrs. James Youse east of town. As it was the sixty-first anniversary of that good lady's birth, her son Lewis and his wife conceived the idea of giving the mother a pleasant surprise. The plans worked to perfection, and Mrs. Youse greatly enjoyed the surprise. Of course, there was the big dinner—for a birthday party without a dinner would be a failure; and then there were lots of gifts to remind her of the loving esteem in which she was held by her children and friends. Most of the town guests were taken up by our jolly friend John Shaffer in his big farm wagon drawn by the mules.

Among the guests present were Mrs. James Rummel, Mrs. John Suders, Mrs. Adam Grissinger, Mrs. Al Alexander, William Paylor and wife, Michael Black and family, L. A. Youse and wife, Mrs. Fred Black and daughter Susie, Mrs. Nick Roetzger and daughter Ruth, Mrs. Lou Jackson, Mrs. Charlie McCurdy and son, and John Shaffer and family.
