## **SEVENTY-THREE LIVES LOST** NEAR ATLANTIC CITY

Disaster On Pennsy's An Awful Electric Line.

PEOPLE DROWN IN THE CARS. Pleasure-Bound Families Wiped Out.

ALL-NIGHT SEARCH FOR THE DEAD.

A Turned-in Rail on the Bridge Over the "Thoroughfare" Causes the Train to Jump the Track - Two Cars Filled With Passengers Drop Into the Water at High Tide and with it Are Submerged-Third Car Hangs on an Abutment Long Enough for Some of Occupants to Escape.

CAUSE OF DISASTER.

Electric train of three cars on the Pennsylvania's West Jersey and Seashore Line jumped track on trestle bridge over "Thorough-fare," near Atlantic City, and three cars dropped into 30 feet of water.

Reported to have been caused by a rail "turning in." The rail, an outside one, was probably out of plumb the frac-tion of an inch. The sharp flange of the car wheels caught this and twisted it Inward.

The twist threw the first car off the track and into the water, dragging the others after it Pennsylvania Rattroad officials

say the track was in good condition and the draw properly locked and until the cars are raised the cause of the accident cannot be

A yacht passed through the draw a short time before the ac-Daniel B. Stewart, the bridge-tender, who is 65 years seems bereft of his reason since the accident.

Atlantic City, N. J. (Special) .fare, the body of water separating saved many lives. Atlantic City from the mainland, was the water Henry Roemer was in the the scene of a terrible disaster Sunthe scene of a terrible disaster Sun- act of crawling from a window, day afternoon. The 1 o'clock fast Vreeing himself with an effort and electric train of three cars from Philadelphia on the Pennsylvania's West at 2,30, jumped the track at the draw on the bridge, and three cars were plunged into the swift tideway, two sinking in 30 feet of water. The third car hung partly on an abutment of the bridge, and the rear end was suspended long enough to permit some of the passengers to escape. Men, women and children in the first through broken windows.

The list of dead is expected to alarm rushed railroad men and two reach 55 to 60. It is estimated that companies of firemen to the scene at there were about 80 to 100 people once. All sorts of water craft were of the tragedy are scattered through- cars, while others with oyster tongs out the city, and it is impossible to and boathooks grappled for bodie tell exactly how many escaped, but windows and to reach the top of the the hundreds or more of men en-water, where most of them were gaged in the work of getting out

the accident and at once put out in

Divers At Work. Divers and the crew of a wrecking train are at work raising the submerged cars. The bridge is about 15 feet above the water.

Several causes are asigned for the secident. One is that the rails spread; another that the rails were not pro-perly locked when the open bridge was closed, after a pleasure yacht which had just passed through. The accident, however, was proba-

bly due to a rail "turning in." appears that the rail, which was outside one on the right hand side coming down, must have been out f plumb about an eighth of an inch The sharp flange of the electric train caught this and twisted it inward. Had it spread instead of twisting invard the accident never would hav rave happened. This twist the first car off the track and int The result was that th the water. econd and third cars were dragged

The third car, however, caught on the abutment of the bridge, where I was a frantic rush of the passenger for the rear door. Probably a scor or more got out, and as the car plunged over the edge others leaped into the water. The last car the went over the bridge fell upon th others and slowly slid off into the The moment's delay, ever, gave several passengers the op-portunity to leap into the water be fore the car was finaly submerged.

BOTH NATIONS

Serious.

MR. AOKI SEES SECRETARY ROOT. Japanese Ambassador Formally

quests That the Subjects of the Mikado in California Be Accorded Their Treaty Rights - Is Indignant.

Washington (Special) .- Viscount oki, the Japanese ambassador, at a uest, in behalf of his government, hat the United States see that Japanse subjects in California were ac-orded their full rights under the reaty in 1894, including the right of children to freely attend the pub schools of San Francisco. retary Root will take the matter up with the President and it is likely that representations will be made to ae authorities of California.

The Ambassador said that the exclusion of Japanese children from San Francisco schools was the chief of the harsh criticism of the United States. He was inclined to discount the other causes given for the sentiment against this country.

The Ambassador Indignant. In a friendly way Viscount Aoki iscussed the attuation with the Secretary, and expressed regret that Japanese children should be discrimiated against.

'The frienship between the United States and Japan is too genuine and tion in Santa Ana, Cal.
of too long standing to justify any The United State ban rmal protest on the part of Japan because of wrongs her citizens may have suffered in some one locality in the United States," said Viscount There is much misunderstanding in Japan concerning the rue situation. Of course, the Japangovernment fully realizes that action against the Japanese chiln is local and not general in this ntry, but all the Japanese peodo not understand conditions in is country, and a local unfriendliess to Japanese is regarded by many rsons as a national action.

The action against the Japanese hildren is regarded as extremely serious by Viscount Aoki, and he made no attempt to discount its "After all the years of ndship between the two nations seems too bad that the poor, inno-nt. little Japanese school children uld be subjected to such indignisaid the Ambassador. tion on the part of local authoriies in this country is resented very

Root Also Has A Grievance. Secretary Root, on his side, quested the Japanese government to cause the arrest and punishment of Japanese poachers who attempted to and on the seal islands of Alaska recently, and who escaped to Japan some of their party had The State Department's basis this request is found in the fact hat it regards the attempted landof the poachers as an invasion United States territory

Viscount Aoki said that Mr. Hantcara, the secretary to the Japanese Embassy, who has just returned rom an investigation in Alaska of he killing of a number of Japanese eal fishers on the Pribiloff Islands, has not yet completed his report. The Ambassador said there was no ubt that the Japanese had no right be fishing in Alaskan waters, but question to be determined is whether the Americans were waranted in inflicting death as a punish-

the opinion of Vicount Aoki, killing of the Japanese by the perican government agents has ayed no little part in arousing apanese public sentiment against he United States. In Japan it is behis case when the facts are fully

SUES FOR HIS SKIN

Man Charges More Was Taken Than He Bargained To Give.

Cincinnati, O. (Special) .- William Doll, who alleges that an amount f cuticule much greater than bargained for was taken from him inder a skin-grafting contract, enered suit for \$10,000 damages gainst J. S. Atkins, George A. Fackor and John C. Oliver, the latter two rominent Cincinnati physicians and

The plaintiff says that he agreed bat a strip of skin one by six inches bould be taken from his leg, but tile he was under the influence anesthetic skin was cut from both gs to the extent of 42 inches.

The case grows out of an autonobile accident in which Atkins was njured, and it was for his benefit the skin was taken.

A Collision At Sea.

New York (Special) .- A collision t sea, which resulted in the drowning of William Scott, a seaman on the ship C. F Sargent, from San Francisco, was reported by the offieers of that ship on her arrival in this port.' When off Barnegat, on the Jersey Coust, last Tuesday, the Sargent was in collision with an unknown schooner during a dense fog. The schooner struck the Sargent on the port quarter, carrying away a portion of her rail. In clearing away the wreckage Scott was knocked overboard and drowned

Civil Service League. New Haven, Ct. (Special) .- The National Civil Service Reform League will hold its twenty-sixth annual meeting in this city November 19 and 20. to the government, which is has
beld for 12 years, the bids of the
American Bank Note Company, of American Bank Note Company, of New York, being much lower on all stamps. If the contract is awarded to the New York firm it will mean loss of employment to hundreds of persons in the government service. The reason of the lower bid by the private concern is said to be that it can get labor much cheaper than the scale of wages paid by the govern-ment.

INTO THE OHIO RIVER President Ropsevelt Issue: His Proclamation.

Washington (Special) .- President Roosevelt Tuesday afternoon issued his annual Thanksgiving proclamation, setting Thursday, November 29, as the date.

It reads as follows:

The time of year has come when, accordance with the wise custom of our forefathers, it becomes my duty to set aside a special day of thanksgiving and praise to the Al-mighty because of the blessings we have received and of prayer these blessings may be continued. Yet another year of widespread well being has past. Never before in our history, or in the history of any other nation, has a people enjoyed more abounding material prosperity than is ours-a prosperity so great that it should arouse in us no spiri of reckless pride, and least of all a spirit of needless disregard of our re-sponsibilities, but rather a sober sense of our many blessings and a resolute purpose, under Providence, not to forfeit them by any action of our

Material well being, Indispensable though it is, can never be anything but the foundation of true national greatness and happiness. If we build nothing upon this foundation they our national life will be as meaningless and empty as a house where only the foundation has been laid Upon our material well being must be built a superstructure of individcordance with the laws of the high est morality, or else our prosperity itself will, in the long run, turn out a curse instead of a blessing. should be both reverently thankful for what we have received, and earnestly bent upon turning it into a means of grace and not of destruc-

Accordingly, I hereby set apart Thursday, the 29th day of November next, as a day of thanksgiving and supplication on which the p shall meet in their homes or churches, devoutly acknowledge all that has been given them and to pray that they may, in addition, the power to use these gifts a-right

In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

Done in the city of Washington this 22d of October, in the year of our Lord one thousand nine hundred and six, and of the Independence of the United States the one hundred and thirty first. (Signed)

Theodore Roosevelt. By the President: Elihu Root, Secretary of State.

PRESIDENT CHANGES CABINET Straus' Appointment Comes As a

Surprise. Washington, D. C., (Special)-The President announced Tuesday evening the following changes in his Cabinet:

Postmaster General Cortelyou will succeed Mr. Shaw as secretary of the Secretary of the Navy Bonaparte

Secretary of Commerce and Labor Metcalf will succeed Mr. Bonaparte as secretary of the Navy.

Ambassador to Russia George V. L. Meyer will succeed Mr. Cortelyou as postmaster general.

Mr. Oscar S. Straus, of New York,
will succeed Mr. Metcalf as secretary

It was said informally at the White It is thought that the total dead House that Attorney General Moody would retire on January 1, 1907, and Secretary Shaw on March. ng was situated at Park and Central | Most of the changes will take place, therefore, at the beginning of the

new year. A successor to Mr. Meyer as ambassador to Russia has not as yet been announced, but it is understood that Mr. Lloyd C. Griscom, who was ecently transferred from Japan to Brazil, will go to St. Petersburg, and that Mr. John Barrett, now minister to Colombia, will succeed Mr. Griscom as ambassador to Brazil, unless the President decides to place him at the head of the Bureau of Amer

ican Republican Republics. Appointment of Straus.

Of the Cabinet changes only one, Mr. Straus to become Secretary of Commerce and Labor, is news. All the other changes have been re-That come Attorney General was authori-tatively announced in Washington when he was appointed Secretary of the Navy, for it has always been Mr. Roosevelt's desire to have Mr. Bona-parte at the head of the Department of Justice, Mr. Metcalfe's transfer to the Navy Department finally fils a hope that Mr. Metcalf has cherished ever since he entered the Cabinet. The execution of the pro-visions of the Chinese exclusion law falls under the Department of Commerce and Labor, and as Mr. Met-calf is a Califorian and represented California district in the House of Representatives for many terms, the recent attitude of the administration in favor of the most liberal possible interpretation of the exclusion law has made Mr. Metcalf's position extremely embarrassing, and it is, in-deed, believed that if this present change in the Cabinet had not in-cluded his transfer from his present position to the Navy he would have resigned before long.
