When the tip of a dog's nose is cold and moist, that dog is sick. A feverish dry nose means sickness with a dog. And so with the human lips. Dry, cracked and colorless lips means feverishness, and are as well ill appearing. To have beautiful, pink, velvet-like lips, apply at bedtime a coating of Dr. Shoop's Green Salve. It will soften and heal any skin ailment. Get a free trial box at our store, and be convinced. Large nickel capped glass jars, 25 cents, at Dickson's drug store.

Use of Both Hands.

We should form the habit of using each of our hands in turn in our one handed activities. In a few months we might attain to fair ambidexterity, in a few years to the full use of each hand. For this object the best exercise is writing with the neglected hand. If a man learned to write well with either hand almost all the other unimanual activities in which, by changing the hand employed in them, we might cultivate ambidexterity, as in carrying a stick or umbrella, in fencing with a foil, in counting money, in changing our watch pocket from side to side, in changing the parting of our hair, in the use of a spoon in taking soup, in domestic carpentry and in many other usual activities.—Sir James Saw.

THE NEW YORK WORLD.
THREE-A-WEEK EDITION.

Read Wherever the English Language is Spoken. The Thrice-a-Week World, now that a great Presidential campaign is foreshadowed, hopes to be a better paper than it has ever been before, and it has made its arrangements accordingly. Its new service covers the entire globe, and it reports everything fully, promptly and accurately. It is the only newspaper, not a daily, which is as good as a daily, and which will keep you as completely informed of what is happening throughout the world.

The Thrice-a-Week World is fair in its political reports. You get the truth from its columns, whether you are Republican or Democrat, and that is what you want.

A special feature of the Thrice-a-Week World has always been its serial fiction. It publishes novels by the best authors in the world, novels which in book form sell for \$1.50 apiece, and its high standard in this respect will be maintained in the future as in the past.

THE THRIE-A-WEEK WORLD'S regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and THE FULTON COUNTY NEWS together for one year for \$1.75. The regular subscription price of the two papers is 2.00.

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.
It was this fact that first correctly led Dr. Shoop in the creation of that now very popular stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, bad breath and slow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.

Never

In the history of this store have we gathered so early in the season such a collection of beautiful merchandise. Anticipating the tremendous demand for all kinds of merchandise this year, we began early in April to search the markets and place our orders for holiday goods. These goods are now here and ready for your inspection. The handiwork of artisans of almost every country in the world is represented in our stock. Many of these articles cannot be duplicated this year. Manufacturing jewelers all over the land are six and eight weeks behind with their orders. Importer's stocks were exhausted in many lines early in September.

To lighten ours and your labors during the December rush we have decided to offer a 10 per cent. discount during November on all our merchandise, and if desired we will hold your selections for Xmas delivery. Goods selected during November can be conveniently and nicely engraved during this month. The discount mentioned will not be allowed on Howard or special watches, Diamonds, Pottery, or special orders.

HUSTON'S Ladies' Long Coats

Just a word before we tell you about the coats we now have. Last year we showed you a great many coats C. B. Crum had been showing for years. We found it didn't pay to try to sell out of style goods and in July of this year we sold Crum's coats to a Philadelphia Jew and it is with pleasure we offer you a line of ladies', misses and children's coats that are absolutely fashion's latest productions.

No matter where else you go you will find coats which have been carried from year to year, but here you can feel safe that you are getting the latest. Our long coats for ladies' are priced \$3.98, \$4.50, \$6, \$6.50, \$7, \$8, \$9.50, \$10, and \$12. Rain coats run from \$9 to \$12 in several patterns.

The young miss from 8 to 14 years has a wide range of patterns to select from and the way we have been selling misses' coats convinces us our line is right.

That little tot just beginning to toddle up to the 5 and 6 year fellow may be bewitchingly dressed in a bear skin or plush coat at economical figures. We want you to see our coats before you buy no matter whether you buy from us or the other fellow.

FOR THE MAN

We have suits for dress, for business or for knock about use. Overcoats, corduroy coats, corduroy pants, leather coats, lambs wool lined coats, rubber coats, duck coats and hunting coats as well as Sweet, Orr & Co overalls and blouses. We are in position to furnish the boy most any thing he would want to wear in the clothing line.

Remember you are not feeling the Rubber Trust when you buy a pair of our rubber boots, rubber overs, felt boots, lumberman socks and overs, for we have the Beacon Falls Rubber Goods this year which means you can have the best if you want them.
