

Rev. Charles J. Hines, of Gettysburg Seminary, preached in the Lutheran church last Sunday morning and evening.

Need a good cathartic? A pill is best. Say a pill like DeWitt's Little Earth Risers. About the most reliable on the market. Sold at Trout's drug store.

One of the bills to be introduced at the next session of the Legislature will provide for the election of five school directors in each township and borough of the commonwealth.

James Fix, of this place, left Monday for Pickering, Iowa, and on his way will stop in Pittsburgh to spend a week with his sister Beatie, and grandparents, Adam Kaufman and wife.

Good for everything a salve is used for and especially recommended for piles. That is what we say of DeWitt's Witch Hazel Salve. On the market for years and a standby in thousands of families. Get DeWitt's. Sold at Trout's drug store.

S. D. Stevens, a well known business man of Chambersburg, accompanied by his wife and children, are spending the week the guests of Mrs. Stevens' mother and brothers, Mrs. L. E. Harris and John and George A. Harris, of this place.

Piles quickly and positively cured with Dr. Shoop's Magic Ointment. It's made for piles alone—and it does the work surely and with satisfaction. Itching, painful, protruding, or blind piles disappear like magic by its use. Large Nickel-Capped glass jars, 50 cents. Sold and recommended at Dickson's drug store.

If you are superstitious about the number 13, you had better give us your quarter dollars, for on each one are 13 stars, 13 letters in the scroll of the eagle's beak, 13 leaves on olive branch, 13 arrow heads and 13 letters in the words "quarter dollar." Now it's not safe to keep them, so just bring them in and get credit on your subscription for the full amount.

Here is a problem for the A class: "Three gallon crocks brim full of water stood by a cylindrical spring, 8 feet in diameter. Three frogs of equal size jumped, one from each crock, into the spring and raised the water in the spring 3-16 of an inch. How much water would again fill one of these crocks?" Don't be afraid of the frogs but solve the problem; it is a fair one.

Preventics, as the name implies, prevent all colds and grippe when "taken at the sneeze stage." Preventics are toothsome candy tablets. Preventics dissipate all colds quickly, and taken early, when you first feel that a cold is coming, they check and prevent them. Preventics are thoroughly safe for children, and as effective for adults. Sold and recommended in 5 cent and 25 cent boxes at Dickson's drug store.

On account of the revival services in progress at Knobsville, Rev. J. C. Grimes has cancelled his engagement to lecture at the Teachers' Institute at Burnt Cabins Friday evening. Rev. Harry Daniels, of Hustontown, has consented to take Mr. Grimes' place at the Institute Friday evening, and will deliver his popular lecture, "The Effect of the Latins on Present Day Civilization." A small admission fee will be charged—just to cover necessary expenses.

P. L. Finiff, wife and daughter, of Pittsburgh, are visiting their parents in Tod township. Luther is quite a railroad man, having been with the P. R. R. people for nearly twenty years. He is now extra yardmaster at the Pittsburgh terminal Monongahela Division, and draws a comfortable salary. This is another example of what a young man may do if he sticks to his employer and makes himself so useful that it is to the advantage of his employer to take care of him.

If you like Coffee but dare not drink it, try Dr. Shoop's Health Coffee. It is true that real Coffee does disturb the stomach, heart and kidneys. But Dr. Shoop's Health Coffee has not a grain of true coffee in it. Being made from parched grains, malt, etc., it forms a wholesome, food like drink, yet having the true flavor of Old Java and Mocha Coffee. "Made in a minute." Call at our store for a free sample. Sold by E. R. McClain.

Try them.

The mountains are full of deer hunters now, and they have been rewarded by an unusually successful season. It is said that seven deer were killed last Friday in the vicinity of the Mountain House on Sideling Hill. A party of Hustontown sportsmen, accompanied by their old friend Mike Lowe, of Greensburg, were out on Sideling Hill one day last week and were chasing the fleet-footed animals around "to beat the cars." Just at a moment when they had a fine big buck ripe for a shot, a Waynesburger, it is said, slipped onto one of the crossings of the Hustontown party, shot the deer, and carried it off—head and tail—not leaving the Hustontown party a smell. There is a jolly party of seven hunters at J. C. Lamberson's, Hustontown. They are interested principally in bird shooting.

Postmaster Robbed. G. W. Fouts, Postmaster at Riverton, Ia., nearly lost his life and was robbed of all comfort, according to his letter, which says: "For 20 years I had chronic liver complaint, which led to such a severe case of jaundice that even my finger nails turned yellow; when my doctor prescribed Electric Bitters; which cured me and have kept me well for eleven years." Birthday Party. The children and other near friends of Mrs. Jane Barton, of Brush Creek Valley, were assembled at her home last Friday to celebrate the seventy-third anniversary of her birthday. Those who were present to participate in the festivities, were W. H. Walters and wife, H. K. Hill and wife, B. A. Truax and wife, Nathaniel Mellott and wife, O. A. Barton and wife, J. M. Fortunate Missourians. "When I was a druggist at Livonia, Mo.," writes T. J. Dwyer, now of Graysville, Mo., "three of my customers were permanently cured of consumption by Dr. King's New Discovery, and are well and strong to-day. One was trying to sell his property and move to Arizona, but after using New Discovery a short time he found it unnecessary to do so. I regard Dr. King's New Discovery as the most wonderful medicine in existence." Surest cough and cold cure and throat and lung healer. Guaranteed at Trout's drug store. 50c and \$1.
