

J. W. Mellott, of Johnstown, Pa., spent a few days among his old friends near Pleasant Ridge during the past week. Mr. Mellott has a nice job at Johnstown, and is making good money.

It is a mistake to use a violent cathartic to open the bowels. A gentle movement will accomplish the same results without causing distress or serious consequences later. DeWitt's Little Early Remedy is recommended. Sold at Trout's drug store.

We have received a copy of the Massillon Independent of the 24th inst., from our old friend John Lynch, who recently visited among friends in this county. Mr. Lynch has returned to his home in that city after having had a very enjoyable visit here.

Thomas Johnson has rented his farm west of McConnellsburg, to Fred Gordon, of Thompson township, who will take possession the first of next April. Mr. and Mrs. Johnson will then move into their brick-house property at the west end of town.

For chapped and cracked hands nothing is quite as good as an application of DeWitt's Witch Hazel Salve. Put it on before going to bed, use an old pair of gloves and see what a difference the morning will bring. Sold at Trout's drug store.

The Committee on Resolutions of the Franklin County Teachers' Institute, indorsed the movement now on foot to reduce the number of directors from 6 to 5. There would not so likely be tie votes if this was done. This committee also advocated an advance in wages, and indorsed the movement to pension veteran teachers.

The Borough of Mount Union is passing a Curfew ordinance to prohibit persons under 16 years of age from being on the streets after 8 o'clock at night, unless accompanied by a parent, guardian or any other person having the legal custody of such minor persons, excepting when on an errand or duty directed by such parent, etc.

Back-ache, cold hands and feet, rheumatism, and kindred ailments caused by improper action of the kidneys, yield readily to a short treatment of DeWitt's Kidney and Bladder Pills. They quickly drive the poisons from the system and thus afford relief. A week's treatment for 25c. Recommended and sold at Trout's drug store.

Many a young woman who deserves a good man for a life-companion, has jumped in at a tender age and married a Johnny and gone through life embarrassed the rest of her days. Johnny is all right as an ice cream boy and as a slot machine, with which to get chewing gum and bon-bons, but when it comes to measuring up, in after years, with the men who do things, and whose wives make up the budget of satisfied ones, he is down and out before the race starts. Girls, if you marry, and if you'd be happy, be sure and marry a man, or at least, what is going to be a man.

E. C. DeWitt & Co., of Chicago, at whose laboratory Kodol is prepared, assure us that this remarkable digestant and corrective, for the stomach, conforms fully to all provisions of the National Pure Food and Drug Law. The Kodol laboratory is a very large one, but if all the sufferers from indigestion and stomach troubles could know the virtues of Kodol, it would be impossible for the manufacturers to keep up with the demand. Kodol is sold here at Trout's drug store.

The local institute at Rock Hill school on the 23rd ult., was well attended by patrons and teachers. The meeting was called to order by the teacher, Russell Nelson, who appointed Rev. Houston president. A very good program was rendered by the school, and the questions were discussed by the teachers present. The institute adjourned to meet at Jugtown Dec. 14th.—Virgie Truax, secretary.

AN ALARMING SITUATION frequently results from neglect of clogged bowels and torpid liver, until constipation becomes chronic. This condition is unknown to those whose Dr. King's New Life Pills: the best and gentlest regulators of stomach and bowels. Guaranteed by Trout's the druggist. Price 15c.

DEATH FROM LOCKJAW never follows an injury dressed with Buckle's Arnica Salve. Its antiseptic and healing properties prevent blood poisoning. Chas. Oswald, merchant, of Rensselaersville, N. Y., writes: "It cured Seth Burch, of this place, of the ugliest sore on his neck I ever saw." Cures cuts, wounds, burns and sores. 25c at Trout's drug store.

WEST DUBLIN.

J. E. Lyon has had his new dwelling house newly painted this fall, also roofs of the buildings occupied by a party of hunters.

Hunting season is over. We have not heard of many deer being killed by our hunters.

We think enough shots were fired on Sideling Hill to kill all the deer that were killed in Pennsylvania this fall.

Our teachers are attending the County Institute this week and the pupils are having vacation.

Last Saturday, the home of **Daniel Fix** in Tod township, was the scene of a joyous event occasioned by the celebration of his 40th birthday. About ten o'clock his friends and neighbors began to arrive laden with baskets, buckets, and boxes. Mr. Fix was the recipient of quite a number of useful presents: for which he is very thankful. About 4 o'clock in the evening, all returned to their homes, feeling that the time was not lost in spending a day in social intercourse with friends and neighbors.
