Surprise Party.

Last Saturday will be a day the memory of which will linger long and pleasantly in the mind of Richard Pittman, of Ayr township. The day was the thirtyfifth anni 'ersary of Mr. Pittman's advent into this world of pain and pleasure, and to celebrate the occasion with fitness, twenty of his friends and neighbors assembled at his home about ten o'clock in the forencon. It is needless to state that the regulation dinner followed, and that his friends ex- Ino. Baldwin, at this place. pressed their esteem for him by the number of useful gifts which he received. Those pesent were: William Summers and family; Sarah C. Summers, her daughter Minnie, and grandsons Frank and Merrill Carouthers; Sarah Batdorf and grand-daughter Mary; Maye and Annie Pittman, Roy and Myrtle Barber, Randotph Fegley, and Gilbert and Albert Lake. May be live to have many more such surprises. INO.

Reprint, News Herald: "There is at least one effectual, safe and reliable Cough Cure-Dr. Shoop's -that we regard as suitable, ev en for the youngest child. For years, Dr. Shoop bitterly opposed the use of opiates or narcotics in medicine, offering \$10 per drop to any one finding opium, chloroform, or any other poisonous or narcotic ingredient in Dr. Shoop's Cough Cure. And the challenge is as yet unanswered. Here is one manufacturing physician, who welcomed with much satisfaction the new Government Pure Food and Drug Law. The publis can now protect itself at all times, by insisting on having Dr. Shoop's, when a cough remedy is needed." Sold at Dickson's drug store.

A Postoffice Syndicate.

W. D. Boyce, of Chicago, who professes to have such sufficient backing as to make his offer entitled to serious consideration financially, proposes to take over the postal business of the country. He would organize a corpor ation, with \$50,000,000 capital. subject in its operations to full Government regulation, to do the business, guaranteeing-

\$1.00 a year.

McClure's For 1997.

In the January number of Mc Clure's will begin the Life of Mary Baker G. Eddy and the History of the Christian Science Movement. For the first time a complete, impartial and true story of Mrs. Eddy and Christia Science is to be had-it will run throughout the year. Georgine Milmine has written the storypursued her study of the sub jects. Five other writers of Mc Clure's staff have worked with her to make this story accurate, fair, unbiased and complete. In view of the fact that for some months the press has been full of diverse and conflicting news and statements regarding Mrs Eldy, it is evident that accurate knowledge concerning her is difficult to obtain in a short time. Consequently McClure's long and thorough preparation of its series will give us for the first time, a true history and account of her and her cult.
