

Christmas entertainment for the little folks, in the Presbyterian church next Sunday evening.

Buy your candy from Huston at Saltillo. He can supply you from the Ton of candy just received. Special terms to schools.

FOR SALE—A good driving horse, 4 years old; will weigh about 1100 lbs. Apply to C. E. SEVILLE, McConnellsburg, Pa.

As a recognition of his faithful services as pastor of the Pine Street M. E. church, at Ironton, O., the Rev. Will Correll has just had notice that his salary has been raised to \$1200 a year.

It is a mistake to use a violent cathartic to open the bowels. A gentle movement will accomplish the same results without causing distress or serious consequences later. DeWitt's Little Early Risers are recommended. Sold at Trout's drug store.

There will be a local institute at Webster Mills, Friday evening, Dec. 21st. Questions for discussion: 1. Necessity for the study of Physiology. 2. What are the best methods for teaching "Nature Study?" 3. Teachers' use and non use of text books in the recitation.—Mary Houston, teacher.

Back-ache, cold hands and feet, rheumatism, and kindred ailments caused by improper action of the kidneys, yield readily to a short treatment of DeWitt's Kidney and Bladder Pills. They quickly drive the poisons from the system and thus afford relief. A week's treatment for 25c. Recommended and sold at Trout's drug store.

Large bodies of gunflint rock have been found on the mountain side north-east of McConnellsburg. This material is used in England and America for furnace linings, and for silica bricks, as it possesses the property of withstanding very high temperatures. Manganiferous iron ore abundant, also, near the western base of these mountains.

Last Saturday a number of the neighbors and friends of Mrs. Barbara Houpt assembled at her home in the East End, to celebrate the anniversary of her birthday. Of course, there was the regulation big dinner, which was greatly enjoyed by the guests, and Mrs. Houpt received many useful gifts as reminders of the esteem of her friends.

If taken at the "Sneeze Stage," Preventics—a toothsome candy Tablet—will surely and quickly check an approaching cold or influenza. When you first catch cold—or feel it coming on—take Dr. Shoop's Preventics, and the prompt effect will certainly surprise and please you. Preventics surely supply the proverbial "ounce of prevention." Sold in 5 cent and 25 cent boxes at Dickson's drug store.

Geo. W. McCauslin, the husband of Alice Logan, a daughter of the late Judge Logan of Ayr township, has recently been appointed postmaster at Narberth, Pa. Mr. McCauslin is a well known resident of Narberth, where he has resided during the past twelve years. He is well qualified for the position, having been engaged for the last three years in the government service in connection with the postal branch at Broad Street Station of the Pennsylvania Railroad, Philadelphia.

Police Court.

Lew Jefferson, of Chambersburg, came over last Saturday to celebrate the holidays here, and in the evening started out to paint the town. Among others that he met was policeman Roettger, who persuaded Mr. Jefferson to accompany him to the lockup. Monday morning Mr. Jefferson appeared in the court of Mayor Wishart and in default of \$2 fine was "sent up" for thirty days.

On Monday evening Harry Bark a usually quiet young fellow got too much of a jag on and began to raise Cain, when he traveled the same road as Jefferson, with the exception that he had the plunks to pay his fine Tuesday morning and was given his liberty.

For chapped and cracked hands nothing is quite as good as an application of DeWitt's Witch Hazel Salve. Put it on before going to bed, use an old pair of gloves and see what a difference the morning will bring. Sold at Trout's drug store.

Red Men Hold Pow-wow.

The Cassawappa Tribe of Red Men, of this place, headed their Council fire in Conner's Hall on the 13th sleep, Hunting Moon, at the seventh run, whatever that means, for we got this information from one of the big wujuns.

The degree team of Hampa tribe, of Mercersburg, gave the degree work to fifty four pale faces, and brothers Austin, Sipes, and Patterson had their first ride on a goat without horns.

The visiting degree team, in uniform, headed by the McConnellsburg band, paraded from the City Hotel to the wigwam at seven o'clock, last Thursday evening.

The Mercersburg boys were all gentlemenly fellows, and went home in an orderly manner.

AN ALARMING SITUATION

Frequently results from neglect of clogged bowels and torpid liver, until constipation becomes chronic. This condition is unknown to those who use Dr. King's New Life Pills; the best and gentlest regulators of stomach and bowels. Guaranteed by Trout's the druggist. Price 15c.

DEATH FROM LOCKJAW

never follows an injury dressed with Buckle's Arnica Salve. Its antiseptic and healing properties prevent blood poisoning. Chas. Oswald, merchant, of Rensselaersville, N. Y., writes: "It cured Seth Burch, of this place, of the ugliest sore on his neck I ever saw." Cures cuts, wounds, burns and sores. 25c at Trout's drug store.

If you like Coffee, but dare not drink it, try Dr. Shoop's Health Coffee. It is true that real Coffee does disturb the stomach, heart and kidneys. But Dr. Shoop's Health Coffee has not a grain of true coffee in it. Being made from parched grains, malt, etc., it forms a wholesome, food-like drink, yet having the true flavor of Old Java and Mocha Coffee. "Made in a minute." Call at our store for a free sample. Sold by E. R. McClain.

Surprise Party.

Last Tuesday will be a day the memory of which will linger long and pleasantly in the mind of Mrs. Elizabeth Tolbert, of Big Cove Tannery. The day was the fifty-second anniversary of Mrs. Tolbert's birth. While Mrs. Tolbert was busy butchering, about ten o'clock her neighbors and friends began to gather in, which was a surprise to her. Those present were Wm. Paylor and wife, David Rinedollar and wife, Jacob Crouse, wife, and son, Mrs. Jackson Mellott and daughter Emma, Mrs. Kirk, Mrs. B. F. Shives, Mrs. G. E. Clouser, Mrs. Thos. Shaw and daughter Cora, Mrs. Frank Amstey, and Mrs. Nancy Everts.

The "Straight of It."

While there was something of a storm in a few sections of the county when the vaccination law was put into effect, most people have now accepted it, even when they did not approve of the method the lawmakers took to accomplish the result, rather than allow their children to grow up without the advantages of the public school.

In case a child is vaccinated, and it don't take, then what? The following letter from the State Commissioner of Health to the County Medical Inspector, makes that plain. The letter says—

"In boroughs I have suggested that the third attempt to vaccinate be made in the presence of the physician of the Board of Health. If this third attempt fails the Board of Health physician, acting as a representative of the health authorities, permits the child to attend school.

"In the rural districts, I have asked that such cases be referred to this Department that we may have our County Medical Inspector or some one deputized by him investigate them, and if they are honest ones, to authorize the admission of the children to school."

E. C. DeWitt & Co., of Chicago, at whose laboratory Kodol is prepared, assure us that this remarkable digestant and corrective for the stomach, conforms fully to all provisions of the National Pure Food and Drug Law. The Kodol laboratory is a very large one, but if all the sufferers from indigestion and stomach troubles could know the virtues of Kodol, it would be impossible for the manufacturers to keep up with the demand. Kodol is sold here at Trout's drug store.
