In renewing his subscription to the "News" for 1907, Mr. John H. Winter, formerly of Whips Cove, but now a resident of Olpe, Kas., says: "I like your paper. Through its weekly visits I am kept in touch with the old Keystone State—the place of my birth and boyhood."

Mr. and Mrs. Emanuel Fagley, of Dot, gave a turkey roast on Christmas in honor of their son Charles, of Huntingdon, and their daughter Rosie, of Cumberland. In addition to those already mentioned, there were present Mr. and Mrs. D. Garland their two sons Raymond and Marshall and Sherman Barnhart.

Among the engagements announced in Chambersburg on Christmas were Miss Gail Gillan, daughter of Hon. and Mrs. W. Rush Gillan to Robert McCandlish, of Hancock, Md., and Miss Mary Skinner, daughter of Captain and Mrs. George W. Skinner, to Henry V. Black, one of the publishers of Public Opinion.

The young man who thinks that a man can't be a good boxer and a gentleman at the same time, should drop in on Professor William H. Findlay on North Eighth street above Race, Philadelphia. He will find the professor not only a well educated man and a good teacher, but also a very clever boxer, and one who can hit hard enough to make any tough have a very great respect for him.

Taken at the "sneeze stage," Preventics will head off all colds and grippe, and perhaps save you from pneumonia or bronchitis. Preventics are little toothsome candy cold cure tablets selling in 5-cent and 25-cent boxes. If you are chilly, if you begin to sneeze, try Preventics. They will surely check the cold, and please you. Sold at Dickson's drug store.

A local institute was held at Jugtown on the 14th ult. The house was called to order by the teacher, Ethel Hays, who appointed Mr. Fryman, president. The questions for discussion were: 1. Praise and censure; to what extent. 2. Methods of starting beginners in Geography. 3. Kind and amount of home study required of pupils. A well prepared program was arranged by the teacher. Recitations and singing were given by the school. Good order prevailed.—Virginia Truax, secretary.

Henceforth clergymen performing marriage ceremonies in Pennsylvania, cannot "keep secret" the facts in the case. A new law is now in effect requiring every clergyman within twenty-four hours after performing a marriage ceremony to record the names of the parties and other specified particulars with the recording officers of the city or borough. This law was especially designed to prevent "secret marriages" and is likely to prove thoroughly effective in that respect. A record of all marriages is kept by the registrar of vital statistics.

**A MEMORABLE DAY.**  
One of the days we remember with pleasure as well as with profit to our health, is the one on which we became acquainted with Dr. King's New Life Pills, the painless purifiers of the head, neck and biliousness, and keep the bowels right. 25c at Trout's drug store.

### The Sabbath.

(Continued from last page.)

than the fat of rams." The great reward, laid store for those who observe the Sabbath properly, should be an incentive to all, for God has a number of times promised to prolong the days of those who keep this command; and also, he causes them to delight in him, thus securing for themselves a more perfect happiness. "For if thou turn away thy foot from the Sabbath, from doing thy pleasure on my holy day, and call the Sabbath a delight, the holy of the Lord, honorable; and shalt honor him not doing thine own ways, nor speaking thine own words; then shalt thou delight thyself in the Lord; and I will cause thee to ride upon the high places of the earth, and feed thee with the heritage of Jacob thy father; for the mouth of the Lord hath spoken it."

What greater incentive should we want than such a beautiful reward as this?—the reward of happiness; not such as man can afford, but true happiness from our heavenly father, who is the giver of all good gifts!

The Sabbath is one of God's gifts and should be accepted as such, and those who have made it a day of holy religious rest will have in store for them another Sabbath more quiet and peaceful in the world to come.

All should labor for this end and when Christ's work through the church, has been accomplished, then Christ and his people shall rest together; then they who have shared in his work, will share in the joy of their Lord.

Should we as Christians people not hail the day when all shall say as did one of the poets—

"Sweet day! thine hours too soon will cease:  
Yet while they gently roll  
Breathe heavenly spirit, source of peace.  
A Sabbath o'er my soul,  
When will my pilgrimage be done,  
The world's long week be o'er,  
That Sabbath dawn which sends us sun,  
That day which fades no more?"

Clear up the complexion, cleanse the liver and tone the system. You can best do this by a dose or two of DeWitt's Little Early Risers. Safe, reliable little pills with a reputation. The pills that everyone knows. Recommended at Trout's drug store.

### STATE WILL PAY

Money for Persons Who Send in Snake That Swallowed Young.

If any person in Pennsylvania be able to kill and send to State Zoologist Surface, a snake which has been seen swallowing its young, he will be well paid for his trouble. Surface says he wishes the snakes sent dead, but with the young in the stomach just as they were swallowed at the time the observer was made and the parent killed.

"The many stories that are told concerning serpents swallowing their young for protection must have truth as their basis," said Surface, "but by the most careful efforts, we have been unable to find any evidence of this, excepting from the reports of other persons. In more than 200 specimens which we have examined at my office, we have never yet found any young in the stomach."

Surface also said the stories sometimes told about garter snakes attempting to choke persons, are entirely without foundation, and that there is no reason why superstition and ignorance should combine to crush out the life of this animal, which is perfectly harmless and unable to inflict any injury whatever upon mankind.

### A GUARANTEED CURE FOR PILES.

Druggists refund money if Pazo Ointment fails to cure any case, no matter of how long standing, in 6 to 14 days.—First application gives ease and cost 50c. ### Happy New Year.

The editor feels that, if it were possible, he should like to take by the hand every one of the more than ten thousand men, women, boys, and girls that he talks to every week through the "News," look into their faces, and wish them a "happy and prosperous new year." Every calling in life has its attendant perplexities, and publishing a newspaper is no exception to the general rule, but the many kind letters received during the holidays from members of the big News family scattered over a wide expanse of territory, makes him feel that he is in close touch with a constituency of which any man may well be proud.

The editor feels a personal interest in every one of his readers, and wishes for each and every one of them a year of happiness and prosperity.
