AGE OF COMMERCIALISM.

Decrease in Students from Older Professions Explained.

The biennial report on higher education in Pennsylvania made by Dr. Nathan C. Schaeffer, superintendent of public instruction and ex-officio secretary of the college and university council has just reached Governor Pennypacker.

The report says: The decrease in the number of professional students is due partly to the advance in standards of admission to the professions and partly to our industrial activity. Lucrative positions lure the students away from the older professions. The increased rigor of the state examinations for admission to the bar will, the report says, before many years, cause a similar decrease in the number of students for the profession of law.

GROOMING COUNTS
But it cannot make a Fair Skin or a Glossy Coat.

Women with good complexions cannot be homely. Creams, lotions, washes and powders cannot make a fair skin. Every horseman knows that the satin coat of his thoroughbred comes from the animal's "all-right" condition. Let the horse get "on his feet" and his coat turns dull. Currying, brushing and rubbing will give him a clean coat, but cannot produce the coveted smoothness and gloss of the horse's skin, which is his complexion. The ladies will see the point.

Lane's Family Medicine

Is the best preparation for ladies who desire a gentle laxative medicine that will give the body perfect cleanliness internally and the wholesomeness that produces such skins as painters love to copy.

A MONSTER AMONG NATIONS.

Such Will Be The United States in Twenty Years.

The new Bank of England is America! If we propose to build a railway, we have to go to the United States for the necessary capital. If we wish to develop some industrial concern, we apply to an American financier for assistance. If we have to sell a large property, a valuable picture, a rare work of art, or a celebrated race horse, we offer it to an American millionaire. If any well known bachelor among us is in pecuniary difficulties, it is to the United States that he hurries to find a bride with a fortune. If a more obscure Englishman is unable to earn a living in this country, it is to the United States that he generally crosses to obtain employment!

Trespass Notice.

The undersigned hereby gives notice that the lands and premises of the Fulton County Rod and Gun Club, an organization duly incorporated by the laws of Pennsylvania, situated in the townships of Wells and Brush Creek, county of Fulton and state of Pennsylvania, and a private property, and that all persons are warned not to trespass on said lands and premises for the purpose of hunting, fishing, gathering nuts or berries, or in any other manner whatever contrary to acts of assembly in such cases made and provided as the law will be rigidly enforced.

Many a woman goes out shopping dressed in silk and enveloped in perfume, whose hard-working husband hasn't had a new suit of clothes or a decent meal in five years. Yes, and many a loafer stands on the street with a stinking pipe in his face, his tank full of "booze" and his mouth full of profanity, whose hard-working wife hasn't had a new dress or a kind word since she was married.

The Charming Woman

is not necessarily one of perfect form and features. Many a plain woman who could never serve as an artist's model, possesses those rare qualities that all the world admires; neatness, clear eyes, clean smooth skin and that sprightliness of step and action that accompany good health. A physically weak woman is never attractive, not even to herself. Electric Bitters restore weak women, give strong nerves, bright eyes, smooth velvety skin, beautiful complexion. Guaranteed at Trout's, the druggist 50c.

Long Live the King!

is the popular cry throughout European countries, while in America, the cry of the present day is "Long live Dr. King's New Discovery, King of Throat and Lung Remedies!" of which Mrs. Julia Rider Paine, Truro, Mass., says: "It never fails to give immediate relief and to quickly cure a cough or cold." Mrs. Paine's opinion is shared by a majority of the inhabitants of this country. New Discovery cures weak lungs and sore throats after all other remedies have failed; and for coughs and colds it's the only sure cure. Guaranteed by Trout's the druggist. 50c and \$1.00.
