AGAINST WHISKEY AND QUININE.

Suggestions of Value to Be Observed This Time of the Year.

In the treatment of grip nearly all doctors advise against the use of whiskey and quinine, which is such a favorite for cold. Alcoholic liquors of any kind are supposed to increase rather than decrease the activity of the grip germ. Here are some influenza rules: which physicians have compiled:

Avoid all unnecessary exposure in inclement weather. Avoid sudden changes from warmth to cold without being properly clad. Keep the feet dry. Don't associate with persons who have grip. By all means keep children, old persons and invalids away from grip patients. Avoid mingling in crowds. Disinfect all rooms that have been occupied by grip patients. Avoid exhaustion. Keep the system in the best possible condition.

It's a pleasure to tell our readers about a Cough Cure like Dr. Shoop's. For years Dr. Shoop has fought against the use of opium, chloroform, or other unsafe ingredients commonly found in Cough remedies. Dr. Shoop, it seems, has welcomed the Pure Food and Drug Law recently enacted, for he has worked along similar lines many years. For nearly 20 years Dr. Shoop's Cough Cure containers have had a warning printed on them against opium and other narcotic poisons. He has thus made it possible for mothers to protect their children by simply insisting on having Dr. Shoop's Cough Cure. Sold at Dickson's drug store.

Among those who called at the News office Tuesday to entwine digits with the editor was Mr. M. S. Wilt, of Fort Littleton. Uncle Mike, as he is familiarly known, has moved back to the hotel, and his good wife will have charge of the culinary department, and their son DeKalb will be general business manager. Mr. and Mrs. Wilt conducted the hotel business in that house for twenty-two years, then built a new house, rented the hotel property, and lived a retired life for a period of fourteen years. The unfortunate occurrence at the hotel last summer, led Mr. Wilt to feel that it would be for the best interests of the community and the traveling public to take charge of the house again himself. He has thoroughly refurbished and repaired the house, repainted it on the inside, and made it more attractive and comfortable than ever, and he is now ready to welcome all his old time friends, and all the new ones who may favor him with their patronage.

"I had tried everything for my baby, until Dr. Lyle recommended Cascasweet. I can truthfully say it is the best medicine I ever used for babies. My little baby was a mere skeleton from stomach trouble—so bad that she'd not notice anything, out is now entirely well, and we can almost see her grow."—Nannie L. Taylor, Bedford, Va. Cascasweet is sold at Trout's drug store.

At Mercersburg last Friday, fire destroyed the stable belonging to Michael Obit in the southern end of the town. The property was almost burned down before an alarm was sent in. There was no insurance and the loss is about \$300. A horse and pig were rescued. The fire department responded and the firemen confined their efforts to preventing the flames from communicating to other property. The origin is unknown.

Croup can positively be stopped in 20 minutes. No vomiting—nothing to sicken or distress your child. A sweet, pleasant and safe Syrup, called Dr. Shoop's Croup Cure, does the work and does it quickly. Dr. Shoop's Croup Cure is for Croup alone, remember. It does not claim to cure a dozen ailments. It's for Croup, that's all. Sold at Dickson's drug store.

Constable Nathan Wigfield of Union township, brought to town last Thursday Luther Hoopgardner on an f. and b. charge by Cora E. Ritz. In default of bail he was committed to jail to await trial at the March term of court.

THE NEW YORK WORLD.
 THRICE-A-WEEK EDITION.

Read Wherever the English Language is Spoken
 The Thrice-a-Week World, now that a great Presidential campaign is foreshadowed, hopes to be a better paper than it has ever been before, and it has made its arrangements accordingly. Its new service covers the entire globe, and it reports everything fully, promptly and accurately. It is the only newspaper, not a daily, which is as good as a daily, and which will keep you as completely informed of what is happening throughout the world.
 The Thrice-a-Week World is fair in its political reports. You get the truth from its columns, whether you are Republican or Democrat, and that is what you want.
 A special feature of the Thrice-a-Week World has always been its serial fiction. It publishes novels by the best authors in the world, novels which in book form sell for \$1.50 apiece, and its high standard in this respect will be maintained in the future as in the past.
 THE THRICE-A-WEEK WORLD'S regular subscription price is only \$1.00 per year, and this pays for 150 papers. We offer this unequalled newspaper and THE FULTON COUNTY NEWS together for one year for \$1.75. The regular subscription price of the two papers is 2.00.

Weak Hearts
 Are due to indigestion. Ninety-nine of every one-hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart, and in the course of time that delicate but vital organ becomes diseased.
 Mr. D. Kuehl, of Nevada, O., says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I used Kodol Dyspepsia Cure for about four months and it cured me."
Kodol Digests What You Eat and relieves the stomach of all nervous strain and the heart of all pressure. Bottles only \$1.00. Size holding 2 1/2 times the trial size, which sells for 50c.
 Prepared by E. O. DeWITT & CO., CHICAGO.

Indigestion
 Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, heartburn, and indigestion as real diseases, yet they are symptoms only of a certain specific disease—indigestion—nothing else.
 It was this fact that first correctly led Dr. Shoop in the creation of that now very popular stomach Remedy—Dr. Shoop's Restorative. Using drugs to the stomach, alone brought but relief, and it was not Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had.
 For stomach distress, bloating, indigestion, and for stomach trouble, indigestion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can do for you. We sell and cheerfully recommend
