About three weeks ago, Mrs. Rebecca Sipes, of Harrisonville, fell and injured her left arm. At first the injury was not considered of much moment, but the arm became more and more painful, until Tuesday of last week she was taken to the office of Dr. McClain in Hustontown, who, assisted by Dr. Mosser, treated the injured member. Had the attention of the doctors been called earlier, they would have been able to effect a more speedy relief.

A liquid cold relief with a laxative principle which drives out the cold through a copious action of the bowels, and a healing principle which lingers in the throat and stops the cough—that is Kennedy's Laxative Cough Syrup Safe and sure in its action; pleasant to take; and conforms to National Pure Food and Drug Law. Contains no opiates. Sold by Trout's drug store.

Mr. Gilbert Cook, one of Taylor township's enterprising young farmers, called on Monday to advance his subscription to the News. Although a native of Huntingdon county, Mr. Cook finds the News an ideal county paper. Mr. Cook's father-in-law, Mr. Richard Madden, near Dublin Mills, who had been in Philadelphia two weeks undergoing a surgical operation, returned on Tuesday of last week. The operation was entirely successful, and Mr. Madden is rapidly recovering.

Nothing will relieve indigestion that is not a thorough digestant. Kodol digests what you eat and allows the stomach to rest—re-energize—grow strong again. KODOL is a solution of digestive acids and as nearly as possible approximates the digestive juices that are found in the stomach. KODOL takes the work of digestion off the digestive organs, and while performing this work itself does greatly assist the stomach to a thorough rest. In addition the ingredients of KODOL are such as to make it a corrective of the highest efficiency and by its action the stomach is restored to its normal activity and power. KODOL is manufactured in strict conformity with the National Pure Food and Drug Law. Sold by Trout's drug store.

Rev. T. Davis Richards, of Germantown, Md., was in town a few hours Monday attending to business relative to the settling of the estate of his father, Hon. John T. Richards, notice of whose death appeared in the News last week. Davis and his brother Dr. Neepner were named by their father as the executors of his will, and they are offering at public sale, 1,200 acres of valuable land, a fuller notice of which is given in their advertisement found elsewhere in this paper. Their father was sick but a very short time, and his symptoms were in no way alarming. Lying in bed, he sat up and asked for a drink of water, and while this was being brought he fell over and expired instantly without manifesting a single symptom or pain.

CLEAR RIDGE. Jan. 30.—Frozen mud covered with snow, is the present condition of streets here. Every one seems inspired with vigor and assiduity of purpose so early in the beginning of the year.

There has been considerable sickness here, but every one is improving in spite of the doctors. "John A." contracted a heavy cold complicating la grippe, but now says he feels as ardent and vigorous as he did in youth's bright morning at the age of 20. The merchants here are wide awake and doing business. We presume Fort Littleton will soon be on its muscle again. The big meeting here conducted by Rev. Daniels has been in progress for a week, with some degree of success.

The most eminent medical scientists are unanimous in the conclusion that the generally accepted limitation of human life is many years below the attainment possible with the advanced knowledge of which the race is now possessed. The critical period, that determines its duration, seems to be between 50 and 60; the proper care of the body during this decade cannot be too strongly urged; carelessness then being fatal to longevity. Nature's best helper after 50 is Electric Bitters, the scientific tonic medicine that revitalizes every organ of the body. Guaranteed by Trout's drug store. 50c.

HARRISONVILLE. Our school is getting along well under the care of A. Deshong. The protracted meeting at Greenhill is well attended. Thursday evening, Jan. 24th, there was a gathering at the home of Mr. and Mrs. Aaron Deshong. It proved to be an old-fashioned surprise party in honor of their daughter Ora. They spent the evening hours popping corn. Listen for wedding bells. The meeting at the Christian church will begin the third Sunday in February.

Endorsed by The County. "The most popular remedy in Ostego county, and the best friend of my family," writes Wm. M. Dietz editor and publisher of the Ostego Journal, Gilbertsville, N. Y., "is Dr. King's New Discovery. It has proved to be an infallible cure for coughs and colds, making short work of the worst of them. We always keep a bottle in the house. I believe it to be the most valuable prescription known for Lung and Throat diseases." Guaranteed to never disappoint the taker, by Trout's drug store. Price 50c and \$1.00. Trial bottle free.

A glance at the directory of the State Legislature for 1907 shows that there are Halls in both Houses. The Senate had two Killers to help along the grid, while the House has two Cooks, and of course, Meals. The Senate has a Crow, a Fox and a Quail. The House has two Schads. The House also two Shields and a Walker and an Ambler. It likewise has a Beck and Call, while there is Bluestone and Bonbrake. A Fisher and a Woods represent adjoining counties in the Senate. In the House list, the names of a Cooper and a Councilman appear beside each other, which occurs with a Hunt and two Hunters. Three Smiths keep things going in the House. Rhoads, who comes from White Horse, will take an active part in getting good highways. Ripp and Rush are from opposite ends of the State, while a Steel very appropriately comes from Allegheny county, and a Miner from Luzerne—Public Opinion.

MR. FARMER! I would like to call your attention to a few FACTS. Every man likes to have good looking horses and stock about his farm: and he also knows that a horse must be in good health, first of all, to be looking good. I have two kinds of Stock Food, namely:—NUTRITONE and S. A. FOUTZ'S. Now both of these are good, and to feed a little of either one along with other grain, will keep the stock in a good healthy condition; and in a little time, will improve any horse. Try a package on at least, one horse, and see for yourself the results which might save you the loss of your best horse. E. R. McCLAIN, West End of Boardwalk, McConnellsburg, Pa.
