Increase of School Appropriation.

Senator O-car E Thomson of Phoenixville, Pa., has introduced a bill in the State Senate asking for an increase in the state appropriation to the public schools of the State.

The bill provides for an increase of \$4,000,000 in addition to the \$5,500,000 now appropriated to our schools every two years.

The bill has been reported from the Committee and we believe that a united effort by those who are interested in the public schools will materially aid in the passage of the bill.

Letters from the various school boards and from superintendents throughout the State, to the members of the House and the Senators, will do much for the success of this measure.

SPLENDID FOR OLD FOLKS.

Prescription to Relieve Hadder Trouble Which Anyone Can Mix at Home.

Cut this out and put in some safe place, for it is valuable and worth more than anything else in the world if you should have an attack of rheumatism or bladder trouble or any derangement of the kidneys whatever.

The prescription is simple, and can be made up by anyone at home. The ingredients can be had at every good prescription pharmacy and all that is necessary is to shake them well in a bottle.

Here it is: Fluid extract dandelion, one half ounce; compound Kargon, one ounce; compound syrup of sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime. A few doses is said to relieve almost any case of bladder trouble, frequent urination, pain and scalding, weakness and backache, pain above the kidneys, etc. It is now claimed to be the method of curing chronic rheumatism, because of its direct and positive action upon the eliminative tissues of the kidneys. It cleanses these sponge-like organs and gives them life and power to sift and strain the poisonous waste matter and uric acid from the blood, relieving the worst forms of rheumatism and kidney and bladder troubles. The extract dandelion acts upon the stomach and liver and is used also extensively for relieving constipation and indigestion. Compound sarsaparilla cleans and enriches the blood.

As you or any one of your family, especially the old folks, may be attacked at any time it would be wise to cut this out and save it. A well-known local druggist is authority that this prescription is safe to use at any time. Mix it yourself.
