Jos. W. Wolfinger, secretary of the Washington County Game and Fish Association, has advised farmers, wherever practical, to open up the partridges that come to their barns and feed them until the deep snow melts. Birds of all kinds are suffering for food since the ground has been covered.

Mrs. Rebecca Sipes whose arm had been injured recently, a notice of which was given in the News last week, was taken to the hospital at Chambersburg last Friday by Dr. McClain where she underwent a surgical operation. It is expected that she will be able to return to her home in a few days.

A liquid cold relief with a laxative principle which drives out the cold through a copious action of the bowels, and a healing principle which soothes the throat and stops the cough—that is Kennedy's Laxative Cough Syrup. Safe and sure in its action; pleasant to take; and conforms to National Pure Food and Drug Law. Contains no opiates. Sold by Trout's drug store.

Our old friend M. D. Mathias, of Hustontown, called at the News office Monday to exchange greetings with the editor. While Mart fought, bled, and didn't die in the Civil War, and we might add for the information of our readers that he is not as young as he was 45 years ago, he still enters into a fox chase with all the enthusiasm of a boy of nineteen.

To stop a cold with "Preventives" is safer than to let it run and cure it afterwards. Taken at the "sneeze stage," Preventives will head off all colds and grippe, and perhaps save you from pneumonia or bronchitis. Preventives are little toothsome candy cold cure tablets selling in 5 cent and 25 cent boxes. If you are chilly, if you begin to sneeze, try Preventives. They will surely check the cold, and please you. Sold at Dickson's drug store.

This is St. Valentine's Day, and judging from the beautiful displays seen in the windows of some of our stores, the observance of the day is receiving as much attention as in days of yore. The comic ones are, as usual, being mailed at some pestiferous other than the one at which the sender gets his mail, in order to throw off any suspicion from the receiver as to who the sender really might be. This practice is about as old as the hills, and while it may sometimes reform a man when he is told of his falling in such an indirect way, the reverse is often the case. He will imagine that it was sent by either an open or secret enemy and pay scarcely any attention to it whatever. On the other hand, the lovely valentines, which are so much appreciated, will be sent to lovers and sweethearts almost entirely. Few others can expect them.

Nothing will relieve indigestion that is not a thorough digestant. Kodol digests what you eat and allows the stomach to rest—recuperate—grow strong again. KODOL is a solution of digestive acids and as nearly as possible approximates the digestive juices that are found in the stomach. KODOL takes the work of digestion off the digestive organs, and while performing this work itself does greatly assist the stomach to a thorough rest. In addition the ingredients of KODOL are such as to make it a corrective of the highest efficiency and by its action the stomach is restored to its normal activity and power. KODOL is manufactured in strict conformity with the National Pure Food and Drug Law. Sold by Trout's drug store.

MR. FARMER!

I would like to call your attention to a few FACTS. Every man likes to have good looking horses and stock about his farm; and he also knows that a horse must be in good health, first of all, to be looking good.

I have two kinds of Stock Food, namely:—NITRO-TONE and S. A. FOUTZ'S. Now both of these are good, and to feed a little of either one along with other grain, will keep the stock in a good healthy condition; and in a little time, will improve any horse.

Try a package on at least one horse; and see for yourself the results which might save you the loss of your best horse.
