Mr. E. H. Did You Ever See A Nibbler?

A nibbler is a man who enters the grocery store, runs his fingers into the sugar bin and takes a big lump, cuts a handful of nuts, cuts off a slice of cheese for a taste and then of course must have a few crackers and before he buys twenty-five cents worth of something has more than eaten up the profit on it. He then goes out munching an apple and the storekeeper thinks that if he had many such customers he would have to go out of business.

Does Coffee disagree with you? Probably it does! Then try Dr. Shoop's Health Coffee. "Health Coffee" is a clever combination of parched cereals and nuts. Not a grain of real coffee, remember, in Dr. Shoop's Health Coffee, yet its flavor and taste matches closely old Java and Mocha Coffee. If your stomach, heart or kidneys can't stand coffee drinking, try Health Coffee. It is wholesome, nourishing, and satisfying. It's safe even for the youngest child. Sold by E. R. McClain.

Anti-Tip Bill.

It will be unlawful for servants to accept tips if an anti-tipping bill introduced in the House by James L. Adams of Allegheny, is enacted. This includes all waiters and other employees of hotels, restaurants and other public establishments as well as railroad porters and in fact servants of all classes. It is made unlawful for employers to allow their employees to accept tips and any infringement of the act is made punishable by a fine of \$100 or imprisonment of sixty days or both at the discretion of the court. The bill is not intended to affect the man who gives the tip, however. He is free to tip if he wants to, but the recipient may go to jail if he accepts it.

Croup can positively be stopped in 20 minutes. No vomiting—nothing to sicken or distress your child. A sweet, pleasant and safe Syrup, called Dr. Shoop's Croup Cure, does the work and does it quickly. Dr. Shoop's Croup Cure is for Croup alone, remember. It does not claim to cure a dozen ailments. It's for Croup, that's all. Sold at Dickson's drug store.

A Word For The Dumb Animals.

Did you ever stop to think at night, when in your warm, soft bed resting after being out in the cold all day, that stock appreciate the same comforts as much and must have them or suffer? If you never thought of it and don't believe it, just try one night sleeping in the wood shed on some corn cobs with a damp horse blanket for a cover, and then you are getting just as much of the comforts of life as much of the stock does. They may live through it and not complain, but they have their way of paying you back, and it will not be in growth or the full pail of milk. Comfort means thrift and production. Ill comfort and suffering mean poor stock and no money in the business.

You ought to know what you are giving your baby. You will know if you use Cascasweet and take the trouble to look at the wrapper. Every ingredient is shown there in plain English. Cascasweet is best corrective for the stomachs of babies and children. Sold by Trout's drug store.
