Does Coffee disagree with you? Probably it does! Then try Dr. Shoop's Health Coffee. "Health Coffee" is a clever combination of parched cereals and nuts. Not a grain of real coffee, remember, in Dr. Shoop's Health Coffee, yet its flavor and taste matches closely old Java and Mocha Coffee. If your stomach, heart, or kidneys can't stand coffee drinking, try Health Coffee. It is wholesome, nourishing, and satisfying. Its nice even for the youngest child. Sold by E. R. McClain.

In order that there be no hard feelings between our friends and the management of the News, we hope that it will be remembered that obituary poetry is one of the things that is paid for. The rate is one cent a word, and the money accompanies the order. This charge refers only to the poetry. The columns of the News are wide open to persons who may send in an account of the death of their friends, without one cent of charge; but, for some reason or other, obituary poetry is hard on type and we must charge for it to come out whole. "Forget it not."

Some one sent him a sample copy of the News and he saw so many things in it to remind him of his old time friends and neighbors and the doings of his native county, that he could not withstand the desire to send a dollar, and have its visits every week.
