well. Preventics are little candy  
cold cure tablets, and Dr. Shoop,  
Racine, Wis., will gladly mail you  
samples and a book on Colds free  
if you will write him. The sam-  
ples prove their merit. Check  
early colds with Preventics and

A Hancock man has filed an ap-  
plication in the U. S. Patent of-  
fice for a patent on an animal  
trap. The invention is an auto-  
matic trap for catching rats,  
mice, muskrats, minks, weasels,  
polecats, "possums, and other ani-  
mals. The beauty about this  
trap is that it sets itself after  
having been sprung. The num-  
ber and variety of animals a man  
may find in the trap next morn-  
ing after having "set it to going"  
are only limited by the capacity  
of the trap to store them away.

"In 1897 I had a stomach dis-  
ease. Some physicians said Dys-  
pepsia, some Consumption. One  
said I would not live until Spring.  
For four years I existed on boiled  
milk, soda biscuits, and doctors'  
prescriptions. I could not digest  
anything I ate; then I picked up  
one of your Almanacs and it hap-  
pened to be my life-saver. I  
bought a fifty-cent bottle of KO  
DOL and the benefit I received  
from that bottle all the gold in  
Georgia could not buy. In two  
months I went back to my work,  
as a machinist, and in three  
months I was well and hearty.  
May you live long and prosper."  
—C. N. Cornell, Roding, Ga., 1906  
The above is only a sample of the  
great good that is done every-  
where by Kodol For Dyspepsia.  
It is sold here by Trout's drug

**Pianos! Pianos!!**

**Rare Chance to Get One of  
These Sweet Toned In-  
struments, Without  
Paying a Fortune  
for It.**

The piano has long been re-  
garded the queen of musical in-  
struments, but the high price at  
which they have been sold in past  
years has placed it beyond the  
reach of any but those in favored  
circumstances. Happily that day  
has gone by, and to no one is  
more credit for the placing of  
these instruments within the  
reach of every lover of music  
than the Troup brothers, whose  
advertisement appears in another  
column.

For twenty five years these  
gentlemen have been engaged in  
the piano business, and to-day  
have stores in all the leading  
cities in eastern Pennsylvania.

They have recently opened  
rooms in McConnellsburg, in the  
stone building nearly opposite  
the News office, and have already  
placed instruments in many of  
the homes of this town and sur-  
rounding community.

The Troup Brothers are entire-  
ly responsible and able to make  
good to the letter every represen-  
tation they make in regard to any  
of the instruments they sell.

The News—No Pure Drug  
Cough Cure Laws would be need-  
ed, if all Cough Cures were like  
Dr. Shoop's Cough Cure is—and  
has been for 20 years. The Na-  
tional Law now requires that if  
any poisons enter into a cough  
mixture, it must be printed on  
the label or package. For this  
reason mothers, and others,  
should insist on having Dr. Shoop's  
Cough Cure. No poison marks on  
Dr. Shoop's labels—and none in  
the medicine, else it must by law  
be on the label. And it's not only  
safe, but it is said to be by those  
that know it best, a truly remark-  
able cough remedy. Take no  
chance, particularly with your  
children. Insist on having Dr.  
Shoop's Cough Cure. Compare  
carefully the Dr. Shoop package  
with others and see. No poison  
marks there! You can always be  
on the safe side by demanding  
Dr. Shoop's Cough Cure. Simp-  
ly refuse to accept any other.  
Sold by Dickson's drug store.

our spring Hats in for this season, and they are up-to-date. Why pay \$1.25  
when you can get the same thing for 80c. Why pay \$1.50 when you can get  
the same for \$1.20. Look around and see if we are not right.

We now have about all of our spring  
shoes in stock, and it will do your heart  
good as well as your pocket book to look  
at them and have us name prices or look  
on the box and see for yourself the price.  
We mark our goods in plain figures, that  
every one gets just the same price. There  
is something wrong when a merchant only  
marks the cost on the box.

We want you to take a little time, and go and see and be convinced for  
yourself that we do exceed in quality and price—not only in shoes—but every  
thing else we sell. We claim we can save you 10 to 20 per cent. Try us.
