Letter to McConnellsburg Coal Dealers.
McConnellsburg, Pa.
Dear Sirs: If you could get the exclusive sale of a coal that would give double heat and cost no more, you'd jump at it, wouldn't you?
You'd control the trade for a hundred miles!
Devote like that among punts: a short ton is as good as a long one of any point you can name; a gallon is worth more than two of many a popular paint.
Suppose you have painted your house about once in three years ever since it was new; you buy the same number of gallons Devoe, have a third of it left, and it wears six years. Count your costs.
\$1.75 a gallon for paint; \$3.50 a gallon for putting it on; you saved 5 gallons; \$26.25 on this job. But you save the whole job of three years hence: about \$75. Put 'em together: \$100.
Can't reckon so accurately as that; but you see how it goes. Paint isn't alike any more than coal. How much more is coal worth than a slate?
Yours truly,
F. W. Devoe & Co.
P. S. F. C. Bore, Fort Littleton, and J. A. Boyd, Merceburg, sell our paint.

Tribute of Respect.
The following preamble and resolutions were adopted by McConnellsburg Lodge, No. 744 I. O. O. F., at their regular meeting on March 15, 1907, on the death of Brother Lewis Chambers:
Like the sands in the hour-glass, they are passing away. Again our circle has been broken and this time the great summons came to one who for more than 60 years practiced Friendship, Love and Truth in all the activities of his daily life. At the age of 87 Brother Lewis Chambers fulfilled his duty, the mighty husbandman has bid his faithful servant cease from his earthly toil to rest upon the flowery bed of eternal sleep, and guarded by angel watchers, circled by eternal mysteries he will sleep on until the trumpet of the Archangel shall summon him to receive the Crown of Life which fades not away. In the decease of Brother Chambers our Lodge mourns the loss of one of its most devoted members, and one whose life was a blessing to those with whom he came in contact, and as the portals of the Golden Gate swing open to admit our brother into that beautiful city beyond the cold and silent stream of death we then realize that our loss is his gain and we sing with the poet,
"How vain is all beneath the skies,
How transient every earthly bliss,
How slender all the fondest ties,
That bind us to a world like this.
But though earth's fairest blossoms die
And all beneath the skies is vain,
There is a brighter world on high,
Beyond the reach of care and pain."

WHEREAS, The arrow of death has pierced our brother and removed him from our circle where we had learned to love him, therefore, be it
RESOLVED, That we lament the severance of those ties that bound us together, and how in humble submission to the will of Him who appoints to every man his time.
RESOLVED, That this Lodge extends to his bereaved children our most fraternal sympathy and that we condole the severance of the tie of earth.
RESOLVED, That the charter of the Lodge be draped in mourning for a period of thirty days, and the members of the Lodge wear the badge of mourning.
RESOLVED, That a copy of these resolutions be attached to the records of the Lodge, that a copy be sent to the family of our deceased brother and published in the newspapers of this county.
Fraternally submitted,
GEORGE N. SPIES,
EDWARD D. SHIMER,
H. A. COMERER,
DAVID MALLOY,
GEORGE E. CLOUSER,
Committee.

His Dear Old Mother.
"My dear old mother, who is now eighty-three years old, thrives on Electric Bitters," writes W. B. Brunson, of Dublin, Ga. "She has taken them for about two years and enjoys an excellent appetite, feels strong and sleeps well." That's the way Electric Bitters affect the aged, and the same happy results follow in all cases of female weakness and general debility. Weak, puny children too, are greatly strengthened by them. Guaranteed also for stomach, liver and kidney troubles, by Trout's drug store, 50c.

Rheumatism
I have found a trial and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cases, nor turn long growths back to flesh again. That is impossible, but I can now surely kill the pains and paiges of this deplorable disease.
In Germany—with the Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made perfect, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism; but now, at last, I can surely cure all untreatable cases of this dreadful disease. Those sand-like granular waters, found in Rheumatic blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. As soon as dissolved, these poisonous wastes of Rheumatism are gone forever. There is now no real reason for actual excruciating suffering without help. We sell, and in confidence recommend

Weak Hearts
Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which falls of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.
Mr. D. Kauble, of Nevada, O., says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me."
