LICENSES TO BE HIGHER.

Governor Signs Bill Giving More Money to The State.

The first amendment to the Brooks high license law was signed on Saturday by Governor Stuart. It imposes an additional license fee on retailers as follows: Townships, \$25; boroughs, \$50; third class cities, \$50; first and second class cities, \$100. Only the State will benefit by the additional tax.

The old law required county treasurers to pay the funds collected into the state treasury within ninety days after collection and before September 1st. The law is so amended to require the county treasurers to pay the funds to both the state and municipal treasurers within thirty days from their receipt.

TO PREVENT FIRE.

Byron Tannery at Mercersburg is Erecting Apparatus.

The Byron tannery, at Mercersburg, is erecting an immense structure, upon which a large water tank will be built for the purpose of affording power to force water into and on to any part of their buildings. The structure when completed will be seventy feet high with a tank twenty feet high on top of this.

It will be so arranged that when the temperature of any part of the building goes above a certain point, the streams of water will thoroughly spray the heated portions, making the building absolutely safe from fires through over heating, and also affording a quick and efficient means of fighting fire if started in any other way.—Public Opinion.

Owing to the fact that the seating capacity of the Court House is altogether too limited to accommodate the large number of persons who desire to witness the performance of the Dramatic Club this evening, it has been decided to repeat the play Saturday evening, April 6th. Doors open at 7:30. Admission twenty-five and thirty-five cents.

It did not take her long to recover from her surprise, and she extended to each such a cordial handshake, as would indicate the pleasure she was enjoying. At noon the forty-five guests present were invited to the dining room where they found the table laden with a splendid dinner. Among those present was Miss Barbara's brother, "Charley Muse," who, although in his 86th year, walked the whole distance from his home seven miles distant and returned the same day. Look around and see if we are not right.

We now have about all of our spring shoes in stock, and it will do your heart good as well as your pocket book to look at them and have us name prices or look on the box and see for yourself the price. We mark our goods in plain figures, that every one gets just the same price. There is something wrong when a merchant only marks the cost on the box.

We want you to take a little time, and go and see and be convinced for yourself that we do exceed in quality and price—not only in shoes—but every thing else we sell. We claim we can save you 10 to 20 per cent. Try us.
