**Be More Careful.**

During the month of February the dead letter office handled 1,050,303 pieces of estrayed or unclaimed mail matter, and returned practically all of them to the senders. The money remittances found in 5,212 of the letters totaled nearly \$6,000. Here is a lesson upon haste and bad writing. There is no necessity for a letter to go astray if properly directed. Of course, if the parties a letter is sent to go away and leave no address the missive naturally goes to the dead letter office. But in the vast majority of the cases miscarriage of mail or non-delivery is due to carelessness in the addressing.

**OUT OF SIGHT.**

"Out of sight, out of mind," is an old saying which applies with special force to a sore, burn or wound that's been treated with Bucklen's Arnica Salve. It's out of sight, out of mind and out of existence. Piles too and chills disappear under its healing influence. Guaranteed by Trout's drug store. 25c.

On an inoffensive citizen is frequently made in that apparently useless little tube called the "appendix." It's generally the result of protracted constipation, following liver torpor. Rest is the great restorer. We tire our muscles by exercise and then rest to restore them; yet a great many of us do not stop to think how little rest we give to our stomachs. As a usual thing no part of our bodies is so generally overworked as our digestive organs. A tired and overworked stomach will give signs of distress to which we pay no heed until at last Dyspepsia takes hold. Indigestion is just a warning, and if we heed the warning we can easily avoid further consequences. Kodol is a most thorough stomach relief. It digests what you eat and gives the stomach the needed rest and greatly assists in restoring it to its normal activity and usefulness. Kodol is sold on a guarantee relief plan. It is sold here by Trout's drug store.
