by the M. E. conference, return-

spend some time at this place.

slowly improving.

Mr. and Mrs. John Martz were  
very unfortunate in losing their  
two months old baby last Friday  
morning.

It seems as though the young  
men of our town are very sleepy  
at times, when they leave an out-  
sider come in and take one of our  
girls away and marry her before  
anyone knew what was in the  
wind.

**NEW MINISTER AT ST. PETER'S.**

Made Very Favorable Impression at  
Services Yesterday.

From the Daily News, April 8th  
Rev. John C. Grimes, the new  
pastor at St. Peter's Methodist  
Episcopal church, Riverside, who  
was recently appointed by the  
Central Pennsylvania Conference  
arrived Saturday and appeared  
yesterday for the first time in  
charge of his new congregation.

Rev. Grimes preached two fine  
sermons and addressed the Sun-  
day school yesterday, and the  
members of St. Peter's express-  
ed themselves as highly pleased  
with their new pastor. The pas-  
tor is a married man but has no  
children. He comes to Riverside  
from McConnellsburg in the Har-  
risburg district. Mrs. Grimes  
has not as yet arrived in River-  
side, and the members of the con-  
gregation there are awaiting her  
arrival before giving a public re-  
ception to their new pastor.

**Letter From Iowa.**

NEWS: Thinking that probably  
some one back in good old Fulton  
county might be interested in  
knowing what kind of weather  
we have had out here in beautiful  
Iowa this winter, we can truth-  
fully sing "Beautiful Land," for  
the weather has been so nice  
here all winter. Every day seem-  
ed a perfect day, and every one  
seems to be in perfect health, too.  
I never knew of so little sickness  
in any community. Our little  
city seems to be a very healthy  
place.

The mud has all disappeared  
and the roads are dry and dusty.  
Here, as soon as the frost is out  
of the ground and the roads be-  
gan to get dry, they put teams to  
their King road drags and go over  
the roads, which makes them  
just so smooth that you would  
think you were riding on paved  
streets, which is quite an im-  
provement over the old way of  
waiting until the travel wore  
them smooth.

The grass is starting up and  
the birds are here to stay. I was  
awakened this morning by their  
music. There is a large grove of  
evergreens about twenty feet  
from my window, so when the  
birds come to their old summer  
home we know that spring is  
here. Everything looks bright  
and prosperous, and both farmer  
and business man are looking  
forward to another year of pros-  
perity. Iowa has always yielded  
an abundance of everything and  
markets are most always good,  
but they have been exceptionally  
good the last year considering  
the enormous crops we were fa-  
vored with.

I see by the Eastern papers  
that the weather has been rather  
bad there.

I would be glad to answer any  
questions about this country that  
any of my friends wish to ask.

With kindest regards to all I  
remain,  
MRS. BATTIE WINTER WILLIAMS.

**OUT OF SIGHT.**

"Out of sight, out of mind," is  
an old saying which applies with  
special force to a sore, burn or  
wound that's been treated with  
Bucklen's Arnica Salve. It's out  
of sight, out of mind and out of  
existence. Piles too and chil-  
blains disappear under its heal-  
ing influence. Guaranteed by  
Trout's drug store. 25c.

**Kodol For Indigestion.**  
Relieves sour stomach,  
palpitation of the heart. Digests what you eat.

we will make it our business to see that they are properly  
supplied with these necessary things.

prices of sterling or silver plated table ware—that's more  
of our business.

harness.

12c yd, straw matting, 12 and 15c, Japanese matting 20 and 25c, carpets, 19-23  
25-35 and 50c. This 19c carpet is the heaviest you ever did see—it is fine.

Curtain poles, 8c, felt window shades, 8c. A beauty in oil shades at 25c.  
See our 35c shade, as good as any 50c ones. Lace curtains, 39-45-68-75 and  
95c. This is a fine assortment. Shippensburg Work-shirts, 44c, overalls,  
48 to 75c, boys' overalls, 25 to 40c, men's work pants, heavy, 80c to \$1.10,  
men's dress pants, \$1.25 to \$2.50, boys' knee pants, 25 to 45c. We just go  
our spring Hats in for this season, and they are up-to-date. Why pay \$1.25  
when you can get the same thing for 80c. Why pay \$1.50 when you can get  
the same for \$1.20. Look around and see if we are not right.

We now have about all of our spring  
shoes in stock, and it will do your heart  
good as well as your pocket book to look  
at them and have us name prices or look  
on the box and see for yourself the price.  
We mark our goods in plain figures, that  
every one gets just the same price. There  
is something wrong when a merchant only  
marks the cost on the box.

We want you to take a little time, and go and see and be convinced for  
yourself that we do exceed in quality and price—not only in shoes—but every  
thing else we sell. We claim we can save you 10 to 20 per cent. Try us.  
Respectfully,

**HULL & BENDER.**
