When your back hurts it is almost always a warning from your kidneys. When your kidneys are wrong there is nothing so good as the use of DeWitt's Kidney and Bladder Pills. They assist the kidneys. Sold at Trout's drug store.

Last Thursday, while Alex Riley, a driver of one of W. W. McDaniels' lumber teams, was booming a load of lumber at the Staley farm, east of Breezewood, the pole struck his left arm fracturing one of the bones. Mr. McDaniels hurried to Rays Hill and took him to Everett, where surgical aid was rendered. Mr. Riley was a driver on the western stage here several years ago.

Rest is the great restorer. We tire our muscles by exercise and then rest to restore them, yet a great many of us do not stop to think how little rest we give to our stomachs. As a usual thing no part of our bodies is so generally overworked as our digestive organs. A tired and overworked stomach will give signs of distress to which we pay no heed until at last Dyspepsia takes hold. Indigestion is just a warning, and if we heed the warning we can easily avoid further consequence. Kodol is a most thorough stomach relief. It digests what you eat and gives the stomach the needed rest and greatly assists in restoring it to its normal activity and usefulness. Kodol is sold on a guaranteed relief plan. It is sold here by Trout's drug store.
