**OUT OF SIGHT.**

"Out of sight, out of mind," is an old saying which applies with special force to a sore, burn or wound that's been treated with Bucklen's Arnica Salve. It's out of sight, out of mind and out of existence. Piles too and chilblains disappear under its healing influence. Guaranteed by Trout's drug store. 25c.

I thought they considered themselves bad?" "Well, I'll tell you, pard," drawled Amber Pete, "they used to consider themselves bad, but since they have had a peek at some of the paleface folks in the divorce colony they have taken a back seat."

**Fountain Pen Talk.**

There are now probably forty different styles of Fountain Pens offered to the dear public. Through the press and magazines their merits are proclaimed in glowing terms by their respective promoters. Our fountain pen experience has demonstrated to us that all fountain pens will leak, that there is no practical value in advertised hooks, crooks, curves, under- or over-feeds; and that there is no improvement over the original fountain pen; and, lastly, \$1.00 is enough for any fountain pen.

Our \$1.00 Fountain Pen is as good as any now on the market—let us mail you one.

12c yd, straw matting, 12 and 15c, Japanese matting 20 and 23c, carpets, 19-23-25-35 and 50c. This 19c carpet is the heaviest you ever did see—it is fine.

Curtain poles, 8c, felt window shades, 8c. A beauty in oil shades at 23c. See our 35c shade, as good as any 50c ones. Lace curtains, 30-45-65-75 and 95c. This is a fine assortment. Shippensburg Work-shirts, 44c, overalls, 48 to 75c, boys' overalls, 25 to 40c, men's work pants, heavy, 80c to \$1.10, men's dress pants, \$1.25 to \$2.50, boys' knee pants, 21 to 45c. We just go our spring Hats in for this season, and they are up-to-date. Why pay \$1.25 when you can get the same thing for 80c. Why pay \$1.50 when you can get the same for \$1.20. Look around and see if we are not right.

We now have about all of our spring shoes in stock, and it will do your heart good as well as your pocket book to look at them and have us name prices or look on the box and see for yourself the price. We mark our goods in plain figures, that every one gets just the same price. There is something wrong when a merchant only marks the cost on the box.

We want you to take a little time, and go and see and be convinced for yourself that we do exceed in quality and price—not only in shoes—but every thing else we sell. We claim we can save you 10 to 20 per cent. Try us. Respectfully,
