Bad Breath. A well-known physician, who undoubtedly knows, declares that bad breath has broken off more matches than had temper. There are ardent lovers who must sometimes wish their sweethearts presented sweeter mouths to be kissed. Good teeth cannot prevent bad breath when the stomach is disordered. The best cure for bad breath is a cleansing out of the body by use of Lane's Family Medicine.

Lane's Family Medicine. This is a herb medicine, sold in 25c. and 50c. packages by druggists and it is saving more doctor's bills than any other medicine has ever saved. It cures headache, backache, indigestion, constipation and skin diseases.

"Good for everything a salve is used for and especially recommended for Piles." That is what we say about DeWitt's Carbolyzed Witch Hazel Salve. That is what twenty years of usage has proven. Get the original. Sold at Trout's drug store.

Does Coffee disagree with you? Probably it does! Then try Dr. Shoop's Health Coffee. "Health Coffee" is a clever combination of parbed cereals and nuts. Not a grain of real coffee, remember, in Dr. Shoop's Health Coffee, yet its flavor and taste matches closely old Java and Mocha Coffee. If your stomach, heart, or kidneys can't stand Coffee drinking, try Health Coffee. It is wholesome, nourishing, and satisfying. It's nice even for the youngest child. Sold by E. R. McClain.

ISAAC HULL.

If you would keep young at heart, and that means young out side, in spite of the years, banish petulant moods, combat irritability.

Letter to L. H. Wible.

Dear Sir: No man is in a position to influence men with regard to their property more than you in that little room where they tell you their troubles. Pity, if you don't know how to keep a house dry and sound, any sort of structure, house, store, factory, warehouse, shop, barn, fence—any sort of fence, except rail; with paint.

What paint? The paint that takes least gallons; for paint costs money, and putting it on costs twice as much as the paint.

That is short; but that's all; it includes the rest. One paint wears long, another short; but the one that wears long is the least-gallons paint; least-gallons means pure and strong, and most-gallons means adulterated and weak, besides small gallons.

Paint is one of the biggest interests in the United States; not the business of making it; no, the business of paint, taking care of property. Paint is worth a great deal more than it costs, and the best costs least. Devoe.

Yours truly, F. W. DeVOE & Co. P. S. F. C. Bere, Fort Littleton, and J. A. Boyd, Mercersburg, sell our paint.

Governor Stuart has signed the bill increasing liquor license tax of retail dealers in townships twenty-five dollars, fifty dollars in boroughs and cities of the third class, and one hundred dollars in cities of the first and second class. This additional tax is for the use of the State.

What is it that tastes as pleasant as maple sugar and quickly relieves coughs and colds? Mothers who have used it will quickly answer: "Kennedy's Laxative Cough Syrup." Widening Breach Between Whites and Blacks.

If any reader doubts the painful tragedy of race separation in this country let him examine Ray Standard Baker's article in the May American Magazine. Mr. Baker takes no side, offers no silly solution, but he presents the thing as it is.

In the United States whites and blacks eat apart, dwell apart, drink apart, worship God apart, study apart, work apart, travel apart.

"And when the negro suffers the ordinary consequences of a prolonged debauch," says Mr. Baker "and finds himself in the city prison, he is separated there, too, from the whites. And afterwards in court, if he comes to trial, two Bibles are provided; he may take his oath on one; the other is for the white man. When he dies he is buried in a separate cemetery.

"One curious and enlightening example of the infinite ramifications on of the telephone and said: "Do you help negroes in your color line was given me by Mr Logan, secretary of the Atlanta Associated Charities. One day, after the riot, a subscriber called Mr. Logan society?"

"Why, yes, occasionally," said Mr. Logan.

"What do you do that for?"

"A negro gets cold and hungry like anybody else," answered Mr. Logan.

"Well, you can strike my name from your subscription list. I won't give any of my money to a society that helps negroes."

"Now, this sounds rather brutal, but behind it lies the peculiar psychology of the South. This every man who refused to contribute to the associated charities, may have fed several negroes from his kitchen and had a number of negro penitentiaries who came to him regularly for help."

"Preventics" will promptly check a cold or the grippe when taken early or at the "sneeze stage." Preventics cure seated colds as well. Preventics are little cold cure tablets, and Dr. Shoop, Racine, Wis., will gladly mail you samples and a book on Colds free, if you will write him. The samples prove their merit. Check early colds with Preventics and stop pneumonia. Sold in 5c and 25c boxes by Dickson's drug store.

A preacher came at a newspaper man in this way: You editors do not tell the truth. If you did you could not live; your newspapers would be a failure. The editor replied: You are right; and the minister who will at all times and under all circumstances tell the whole truth about his members, alive or dead, will not occupy his pulpit more than one Sunday, and then he will find it necessary to leave town in a hurry. The press and the pulpit go hand in hand with whitewash brushes and pleasant words, magnifying little virtues into big ones. The pulpit, the pen, and the grave-stone are the great saint making triumvirate. And the great minister went away looking very thoughtful, while the editor turned to his work, and told of the unsurpassing beauty of the bride, while in fact she was as homely as a mud fence.

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased. Mr. D. Keeble, of Nevada, O., says: I had stomach trouble and was in a bad state as I had stomach with it. I took Kodol Dyspepsia Cure for about four months and it cured me. Kodol Digests What You Eat and relieves the stomach of all serious strain and the heart of all pressure. Bottles only \$1.00. Size holding 2 1/2 times the trial size, which sells for 50c. Prepared by E. C. DEWITT & CO., OHIO.

The News—No Pure Drug Cough Cure Laws would be needed, if all Cough Cures were like Dr. Shoop's Cough Cure is—and has been for 20 years. The National Law now requires that if any poisons enter into a cough mixture, it must be printed on the label or package. For this reason mothers, and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's labels—and none in the medicine, else it must by law be on the label. And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chances, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and see. No poison marks there! You can always be on the safe side by demanding Dr. Shoop's Cough Cure. Simply refuse to accept any other. Sold at Dickson's drug store.

Sometimes we wonder why it is that so many old persons become disagreeable. Sometimes it is ill nature that has made them old, says Home Chat.
