Rest is the great restorer. We tire our muscles by exercise and then rest to restore them; yet a great many of us do not stop to think how little rest we give to our stomachs. As a usual thing no part of our bodies is so generally overworked as our digestive organs. A tired and overworked stomach will give signs of distress to which we pay no heed until at last Dyspepsia takes hold. Indigestion is just a warning, and if we heed the warning we can easily avoid further consequences. Kodol is a most thorough stomach relief. It digests what you eat and gives the stomach the needed rest and greatly assists in restoring it to its normal activity and usefulness. Kodol is sold on a guarantee relief plan. It is sold here by Trout's drug store.

T. B. Stevens, of this place, left Tuesday noon for Hancock, Iowa, where he expects to spend the summer superintending the construction of some new buildings for his brother Dr. Albert.

His Dear Old Mother.

"My dear old mother, who is now eighty-three years old, thrives on Electric Bitters," writes W. B. Brunson, of Dublin, Ga. "She has taken them for about two years and enjoys an excellent appetite, feels strong and sleeps well." That's the way Electric Bitters affect the aged, and the same happy results follow in all cases of female weakness and general debility. Weak, puny children too, are greatly strengthened by them. Guaranteed also for stomach, liver and kidney troubles, by Trout's drug store. 50c.

Allen-Made CLOTHES

BARE'S

Spring Announcement.

After having returned from the Eastern cities, and received about all my spring goods, I am again ready to call your attention to a long list of savings to you.

SHOES. We are carrying this season the Walk-Over, Douglass, The Three W's, and Wolfe Brothers' lines of shoes. Nothing more need be said in reference to these lines, for they speak for themselves. Shoes from 25c to \$4.25.

Furniture, Carpets and Matting. Our sales have quadrupled this spring in these lines. This shows low prices and good quality will move goods. Our Carpets run as follows, 16, 25, 35, 48, and 55, and Brussels at 65c per yd. Our Matting runs as follows, 12, 13, 15, 18, 20, and 25c per yd. No advance in any of these—all last year's prices.

DRY GOODS. Notwithstanding that this line has advanced 25 per cent. in the city markets, we have enough to let our customers nearly all summer at the old price. This is true in Gingham, Calicoes, Tickings and Muslins. Our line of Butchers' Linen-Persean Lawns, India Linens, Organdies, and Batistes are up to the standard. Our line of Ladies' Muslin Underwear is kept constantly replenished with new goods. We can accommodate you this spring in the long list of gloves. In white and black only.

CLOTHING. We don't step to the side for any concern, in the prices of this line. Men's Suits from \$6.00 to \$12.00. Youths' and Boys' Suits from \$1.50 to \$5.75. Overalls, Shirts, Pants, etc., and Rubber Coats that we guarantee.

HATS and CAPS. We carry the celebrated High Stepper, and Pointer brands in our fur Hats. Our aim is to handle nothing but good goods in all lines.

WALL PAPER. We have the largest line of Wall Paper we have ever had, and at lower prices. Ranging in price from 2 1/2 to 6c per bolt. Linoleums, Oil Cloths, etc., at the old prices.

GROCERIES. In this line we aim always to keep fresh goods, at prices that are often hard to match. We have just secured more of that 4c Rice, and Canned Peas 6c, can, Lima Beans are 7c, lb. I have about 300 lbs. of country side meat yet. When this is all, I won't be able to get more this season. We have Baking Powder put up in one and one fourth lb. tins, also in Buckets we are selling at 10c each. We are still selling that 15c coffee at 15c, the merits of which can be judged by knowing that we sell about 100 lbs. every four weeks. We expect to quote you when the season arrives practically refiners price on Granulated sugar, plus the freight from the refinery here.

HARDWARE. This line includes everything that can be bought at a hardware store. Tubular Rivets which are sold every place 50 for 4c, we sell 100 for 5c, nearly one half less, and never asked more. The balance of the line at a correspondingly low rate. Caps and Sancers at 25c a set, and the best Curtain Stretcher for 98c. We are prevented for want of space from more than mentioning the following lines. Queensware, Wood and Willow Ware, Graniteware, Tinware, Drugs, Oils, Paints, Glass, etc. We are still sending orders of \$5.00 or over along the mail routes, we paying the delivery charges. For the benefits of those who are not acquainted with me yet, I wish to state that we carry the largest variety of goods kept in any store in this county. We buy in large quantities, we get all the discounts going, we aim to handle nothing but first quality goods, we won't handle seconds or "Jew" goods, and we sell for 10 per cent. less than the other fellows. Do you doubt it? Just convince yourselves for fun. Send me an order for goods amounting to \$5.00 and upwards, and if you live along the mail routes we will deliver them to your house, and if it is not cheaper than you have been paying other stores, considering quality, then send them back at my expense, and I will refund your money. What is fairer? It doesn't cost you one cent to make the test. You are both Judge and Jury. A trial will convince you that what I say is correct.

F. C. BARE,
Fort Ligonier, Pa.

"The Good Old Times."

There are some people who ride all through the journey of life with their backs to the horses' heads. They are always looking in the past. All the worth of things is there. They are forever talking about the good old times, and how different things were when they were young. There is no romance in the world now, and no heroism. The very winters and summers are nothing to what they used to be; in fact, life is altogether on a small, commonplace scale.

Now, that is a miserable sort of thing; it brings a kind of paralyzing chill over the life, and petrifies the natural spring of joy that should be ever leaping up to meet the fresh new memories that the days keep bringing.—Brooke Herford.
