Look around and see if we are not right.

We now have about all of our spring shoes in stock, and it will do your heart good as well as your pocket book to look at them and have us name prices or look on the box and see for yourself the price. We mark our goods in plain figures, that every one gets just the same price. There is something wrong when a merchant only marks the cost on the box.

We want you to take a little time, and go and see and be convinced for yourself that we do exceed in quality and price—not only in shoes—but every thing else we sell. We claim we can save you 10 to 20 per cent. Try us. Respectfully,

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, putting it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Kodol Digests What You Eat

and relieves the stomach of all nervous strain and the heart of all pressure. Bottles only \$1.00 Size holding 2 1/2 times the trial size, which sells for 50c.
