Letter to T. J. Comer.

Dear Sir: The cost of a gallon of paint put on is about five dollars, no matter what paint you buy.

Table with 2 columns: Quantity and Price. 100 gallons Devoe put on \$500, 110 " next grade " 550, 120 " next to that " 600, 130 " next " 650, 140 " next to that " 700, 150 " next " 750, 160 " next to that " 800, 170 " next " 850, 180 " next to that " 900, 190 " next " 950, 200 " next to that " 1000, 210 " next " 1050, 220 " next to that " 1100.

The strongest paint is the one that takes least gallons; least gallons to buy; least gallons to paint; and the strongest paint is the one that wears longest.

These lessons are useful.

F. W. DeVoe & Co.

P. S. F. C. Bere, Fort Littleton, and J. A. Boyd, Mercersburg, sell our paint.

THE BIRTH OF THE FLAG.

An Address To The American People.

Friday, the 14th of June, will be the one hundred thirtieth anniversary of the birth of the flag of the United States. The flag was designed for a nation of thirteen colonies, stretched like a belt along the Atlantic coast, made up of less than three millions of people without common traditions or language; drawn together only by common danger from savages within, and oppression from without, which threatened their existence and liberties.

Our flag is now—in form—the oldest flag of civilized nations. The resolutions by Congress for the adoption of the Stars and Stripes on June the 14th, 1777, was as follows:—"Resolved that the flag of the United States be thirteen stripes, alternate red and white; that the Union be thirteen stars, white in a blue field, representing a new constellation." The design of this flag is credited to George Washington, and in part was taken from his family coat of arms. Such is the origin of a flag dedicated to the proposition that "all men are created free and equal."

The men of the Grand Army of the Republic, who preserved the nation in the greatest war of modern times and made vital the Declaration of our fathers, call upon all who live under the flag to recognize this day by patriotic observances in schools and—on the Sunday preceding—in churches. To this end we suggest that the Governor of every State by proclamation announce the day and promote its recognition; that the press scatter this call—as seeds of patriotism—broadcast over the land. Such recognition will nourish the greatness of our nation, inculcate noble citizenship, the principles of civil liberty, and be an object lesson to the new generations that have come upon the stage since the Civil War.

Let me mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart, or The Kidneys. Address me, Dr. Shoop, Racine, Wis. Troubles of the stomach, heart, or kidneys are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak stomach nerves—the inside nerves—means stomach weakness, always. And the heart, and kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for: bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write for my free Book now. Dr. Shoop's Restorative sold by Dickson's drug store.

DeWitt's Carbolic Witch Hazel Salve does not merely heal on the surface; it penetrates the pores and promptly relieves pain caused by boils, burns, scalds, cuts and skin diseases. It is especially good for piles. Beware of imitations. Sold by Trout's drug store.
