Secretary Taft has won a great victory in his own State, and Ohio's action in endorsing him, will doubtless be followed by other States. Taft has shown himself to be a great statesman, and in fact, has been the "guiding hand" that has shaped Roosevelt's policy, and which has met with such wonderfully popular approval. The race next year will most likely be between Bryan and Taft, and either of those great and incorruptible men, will show the rapacious corporations that this government is run for the people and not for them.

Surprise Party.
Saturday, May 11th, was a big day at John Shafer's. John had an idea his wife was getting up a surprise for him on his birthday, but she thought she would surprise him twice, so she just waited a few days. Last Saturday morning she told him to go to town and bring L. H. Youse and wife out. "All right," he said, "then, I will plant corn in the afternoon." But when he got within sight of home and saw so many people, he said, "What in Sam Hill is going on?" Mrs. Youse said, "There is no one dead, is there?" He replied that his family were all well when he left home. When he got to the house 28 of his friends and neighbors tried all at once to pull his ears, and then "he caught on."

Surprise.
The surprise that befell Mr. Wm. Cutchall at his home last Saturday is not likely to be productive of serious results unless he should have an attack of indigestion from the big dinner that he helped to dispose of. It was his birthday, and his good wife thought the matter should have more than ordinary recognition, and so she let the neighbors into the secret, and for once William was kept in the dark until the last minute. A large number of their neighbors and friends were present and a sumptuous dinner was served.

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased. Mr. D. Kuzile, of Nevada, O. says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me."

Kodol Digests What You Eat and relieves the stomach of all nervous strain and the heart of all pressure. Bottles only \$1.00 Size holding 2 1/2 times the trial size, which sells for 50c. Prepared by E. C. DeWITT & CO., CHICAGO, ILL.
