Mrs. Geo. H. Sinser, Grant, Ontario, Can., writes:

"I had not been well for about four years. I had kidney trouble, and, in fact, felt badly nearly all the time.

to you and began at once to take Peruna and Manalin.

"I took only two bottles of Peruna and one of Manalin, and now I feel better than I have for some time.

"I feel that Peruna and Manalin cured me and made a different woman of me altogether. I bless the day I picked up the little book and read of your Peruna."

It is the business of the kidneys to remove from the blood all poisonous materials. They must be active all the time, else the system suffers. There are times when they need a little assistance.

Peruna is exactly this sort of a remedy. It has saved many people from disaster by rendering the kidneys service at a time when they were not able to bear their own burdens.
